MASTER ORDERING AGREEMENT
VA-030700-DLT
BETWEEN
THE COMMONWEALTH OF VIRGINIA
AND
DLT SOLUTIONS, INC.

1. SCOPE OF CONTRACT

This is a Master Ordering Agreement (the "Agreement" or "Contract") between the Commonwealth of Virginia, hereinafter referred to as "Commonwealth" or "State" or "VITA" (Virginia Information Technologies Agency) and DLT SOLUTIONS, INC. (the "Contractor"), a Virginia corporation having its principal place of business at 360 Herndon Parkway, Ste 700, Herndon, VA 20170-4824. This Agreement contains the Contractual terms and conditions by which the Commonwealth will establish a Master License Ordering Agreement for State Agencies, Institutions, and other public bodies as defined in Section 2.2-4301. Definitions of the Virginia Public Procurement Act (VPPA), as amended, and hereinafter referred to as "Authorized Users" to acquire "Software" and "Services" pursuant to the Commonwealth's Request For Proposal #2003-41, dated April 4, 2003 (the "RFP") and the Contractor's proposal, dated May 4, 2003 in response thereto.

Upon award, all orders for Software and Services delineated in Attachment A, attached hereto and incorporated herein, will be placed directly with the Contractor by Authorized Users.

The Virginia General Assembly passed legislation that abolished the Department of Information Technology ("DIT") as of July 1, 2003. All activities and functions of DIT will be consolidated into a new agency that will become the Virginia Information Technologies Agency ("VITA"). Therefore, for purposes of this Contract ("Agreement") all references to either the Commonwealth, DIT, or VITA, shall have the same meaning.

2. INTERPRETATION OF AGREEMENT

As used in this Agreement, "Software" and "Software Product" shall include all related materials and documentation, whether in machine-readable or printed form.

The documents comprising this Agreement, and their order of precedence in case of conflict, are: (1) this document, consisting of Terms and Conditions labeled 1 through 60, Attachment A, entitled *Product Pricing* and Attachment B entitled *Lobbying Certificate*; (2) the Commonwealth's RFP 2003-41, dated April 4, 2003, and amendments thereto, (3) the Contractor's proposal dated May 5, 2003 in response to the Commonwealth's RFP 2003-41 dated April 4, 2003 and amendments thereto; and (4) all executed Orders and Attachments referencing this Agreement, and (5) Attachment C, as incorporated herein.

For the convenience of the parties, it is understood that a shrink-wrap, click-wrap or other license agreement from the owner of each Software Product (collectively, the "Click-wrap agreements") may be shipped with or incorporated into each Software Product delivered under this Agreement. Attachment C contains copies of all the Click-wrap agreements for all of

the Software Products identified in this Agreement and a copy of a correspondence from Symantec dated August 25, 2003, signed by Mr. Keating, Corporate Counsel, and correspondence from Michael Watkins, Autodesk, Inc., to Jeff Davis, dated September 9, 2003. The Contractor represents and warrants that the Click-wrap agreements shipped with or incorporated into each individual Software Product delivered under this Agreement will be as represented in Attachment C. If any Software Product delivered under this Agreement is shipped with or incorporates a Click-wrap agreement that is different than the relevant document in Attachment C, then the Contractor shall indemnify the Commonwealth, its officers, agents, and employees from any and all additional liabilities, expenses, burdens, or other obligations incurred by them as a result of opening the package, clicking on an "I agree" button or taking any other action deemed to be an acceptance of the Click-wrap agreement. This indemnification obligation shall apply without regard to whether the user, using agency, or VITA was aware of the differences in the Click-wrap agreement before or after they became binding.

As between the Contractor and the Commonwealth, this Master Order Agreement identifies all of the terms, conditions and liabilities and obligations applicable between the parties. If any Click-wrap agreement shipped with or incorporated into any Software Product contains any provisions purporting to define different or additional terms and conditions to be applicable between the Commonwealth and the Contractor, Contractor hereby waives any such additional or different terms and conditions.

THE UNIFORM COMPUTER INFORMATION TRANSACTION ACT (UCITA) SHALL NOT APPLY TO THIS AGREEMENT.

If any term or condition of this Agreement is found to be illegal or unenforceable, it shall be severed, and the validity of the remaining terms and conditions shall not be affected.

Nothing in this Agreement shall be construed as an express or implied waiver of the Commonwealth's sovereign or Eleventh Amendment immunity, or as a pledge of its full faith and credit.

3. VENDORS MANUAL

This solicitation is subject to the provisions of the Commonwealth of Virginia *Vendors Manual* and any changes or revisions thereto, which are hereby incorporated into this contract in their entirety. The procedure for filing contractual claims is in section 7.19 of the *Vendors Manual*. A copy of the manual is normally available for review at the purchasing office and is accessible on the Internet at www.dgs.state.va.us/dps under "Manuals."

4. APPLICABLE LAWS AND COURTS

This solicitation and any resulting Contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in the courts of the Commonwealth. The Contractor shall comply with all applicable federal, state and local laws, rules and regulations.

5. ANTI-DISCRIMINATION

By submitting their offers, offerors certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and §2.2-4311 of the Virginia Public Procurement Act. If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, Services, or disbursements made pursuant to the Contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that Contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (Code of Virginia, § 2.2-4343.1E)

In every Contract over $10,000 the provisions in a. and b. below apply:

a. During the performance of this Contract, the Contractor agrees as follows:

   1) The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

   2) The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.

   3) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for meeting these requirements.

b. The Contractor will include the provisions of 1, above, in every subcontract or purchase order over $10,000, so that the provisions will be binding upon each subcontractor or vendor.

6. ETHICS IN PUBLIC CONTRACTING

By submitting their offers, offerors certify that their offers are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their offer, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than

nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

7. IMMIGRATION REFORM AND CONTROL ACT OF 1986

By submitting their offers, offerors certify that they do not and will not during the performance of this Contract employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986.

8. DEBARMENT STATUS

By submitting their offers, offerors certify that they are not currently debarred by the Commonwealth of Virginia from submitting offers on Contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

9. ANTITRUST

By entering into a Contract, the Contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said Contract.

10. MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS FOR IFBs AND RFPs

Failure to submit an offer on the official state form provided for that purpose shall be a cause for rejection of the offer. Modification of or additions to any portion of the Request for Proposal may be cause for rejection of the offer; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a offer as non-responsive. As a precondition to its acceptance, the Commonwealth may, in its sole discretion, request that the offeror withdraw or modify non-responsive portions of an offer which do not affect quality, quantity, price, or delivery. No modification of or addition to the provisions of the Contract shall be effective unless reduced to writing and signed by the parties.

11. CLARIFICATION OF TERMS

If any prospective offeror has questions about the specifications or other solicitation documents, the prospective offeror should contact the buyer no later than April 17th. Any revisions to the solicitation will be made only by addendum issued by the buyer.

12. PAYMENT

a. To Prime Contractor:

1) Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/Contract. All invoices shall show the state Contract number and/or purchase order number; social security number (for individual Contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).

2) Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.

3) All goods or services provided under this Contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the Contract price, regardless of which public agency is being billed.

4) The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.

5) **Unreasonable Charges**. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, Contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges that appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges that are not in dispute (Code of Virginia, § 2.2-4363).

b. To Subcontractors:

1) A Contractor awarded a Contract under this solicitation is hereby obligated:

(a) To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the subcontractor(s) under the Contract; or

(b) To notify the agency and the subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason.

2) The Contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the Contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above.

The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.

13. QUALIFICATIONS OF OFFERERS

The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services/furnish the goods and the offeror shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. The Commonwealth further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror fails to satisfy the Commonwealth that such offeror is properly qualified to carry out the obligations of the Contract and to provide the services and/or furnish the goods contemplated therein.

14. TESTING AND INSPECTION

The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.

15. ASSIGNMENT OF CONTRACT

A Contract shall not be assignable by the Contractor in whole or in part without the written consent of the Commonwealth.

16. MODIFICATIONS

This Contract may be modified in accordance with 2.2-4309 of the Code of Virginia. Such modifications may only be made by the representatives noted below. No modifications to this Contract shall be effective unless it is in writing and signed by the duly authorized representative of both parties. No term or provision hereof shall be deemed waived and no breach excused unless such waiver or consent to breach is in writing.

Any Contract issued on a firm fixed price basis may not be increased more than twenty five percent (25%) of $50,000.00 whichever is greater, without the approval of the Governor of the Commonwealth of Virginia or his authorized designee.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific Contract awarded to a Contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the Contract.

23. NONDISCRIMINATION OF CONTRACTORS

An offeror or Contractor shall not be discriminated against in the solicitation or award of this Contract because of race, religion, color, sex, national origin, age, or disability or against faith-based organizations. If the award of this Contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements provided pursuant to this Contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

24. eVA BUSINESS-TO-GOVERNMENT VENDOR REGISTRATION

The eVA Internet electronic procurement solution, web site portal www.eva.state.va.us, streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies.

All vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution either through the eVA Basic Vendor Registration Service or eVA Premium Vendor Registration Service, and complete the Ariba Commerce Services Network registration.

Vendors are strongly encouraged to register prior to submitting a bid or offer. Failure to register will result in the bid being found non-responsive and rejected. All vendors must register in both the eVA and the Ariba Commerce Services Network Vendor Registration Systems.

a. eVA Basic Vendor Registration Service: $25 Annual Fee plus a Transaction Fee of 1% per order received. The maximum transaction fee is $500 per order. eVA Basic Vendor Registration Service includes electronic order receipt, vendor catalog posting, on-line registration, and electronic bidding, as they become available.

b. eVA Premium Vendor Registration Service: $200 Annual Fee plus a Transaction Fee of 1% per order received. The maximum transaction fee is $500 per order. eVA Premium Vendor Registration Service includes all benefits of the eVA Basic Vendor Registration Service plus automatic email or fax notification of solicitations and amendments, and ability to research historical procurement data, as they become available.

Effective until July 1, 2003, the Commonwealth will direct AMS not to invoice for the 1% transaction fee for orders issued during the period July 1, 2002, through June 30, 2003, to allow additional time for vendors to become electronically enabled. AMS will continue to invoice for transaction fees accrued prior to July 1, 2002. To enable vendors to analyze the future impact of transaction fees, AMS will issue "no pay" invoices for transaction fees that would normally accrue during the period of July 1, 2002, through June 30, 2003. For contracts that extend beyond June 30, 2003, contractors may request price adjustments to incorporate the eVA transaction fee, as provided in the Price Escalation/De-escalation clause in the Terms and Conditions of the contract.

c. Ariba Commerce Services Network Registration. The Ariba Commerce Services Network (ACSN) registration is required and provides the tool used to transmit information electronically between state agencies and vendors. There is no additional fee for this service.

2.1 VERITAS grants Customer, subject to the terms and conditions of this Agreement, a perpetual, non-exclusive, non-transferable license to use the Licensed Software in accordance with the Documentation, on the Designated Computers in the Territory, solely in support of Customer's internal business operations. To the extent that special use restrictions apply to the Licensed Software, they are attached as Exhibit A to this Agreement.

2.2 Customer may make a single copy of the Licensed Software product and Documentation for archival purposes. All copies made pursuant to this section shall be complete copies, and shall include all copyright, trademark, and other notices in the original. Customer may not otherwise copy the Licensed Software or Documentation without VERITAS' prior written consent.

2.3 In the event that Customer, based on its prime contract, requires the Licensed Software to be transferable to a specific Government agency during the term of this Agreement, Customer must provide written notice to VERITAS at the time of transfer of the Licensed Software and include a written certification by an authorized representative of Customer that the Licensed Software has been transferred to such Government agency, and is no longer in use at the Customer's site. Notification of the transfer requirement shall be provided by Customer at the time of order placement. VERITAS will allow the transfer request provided the maximum capacity of the Government agency's computers to which the Licensed Software will be transferred is equal to the license capacity of the computers running at the Customer's site. In the event the maximum capacity of the computers at the Government agency's site on which the Licensed Software will be installed is greater than the original license capacity at the original site, and a logical or physical partition or other means of restricting use is not available, Customer shall be required to purchase additional licenses for the increased capacity prior to the transfer. Customer may make a one time transfer of each copy of the Licensed Software purchased from VERITAS to the specified Government. Except as otherwise provided in this paragraph, such transfer shall be at no additional cost to the Government, except for subsequent renewal of support services, which the subject Government agency may or may not elect to procure. If Customer has obtained support services in support of the Licensed Software, then Customer shall transfer the associated support services to the Government agency to which Customer transfers the Licensed Software. Any Government agency to which Customer transfers Licensed Software and support services under this Section must agree in writing to be bound by the terms and conditions of this Agreement.

2.4 Customer's rights to use the Licensed Software and Documentation shall be limited to those expressly granted in this Section 2. All rights not expressly granted to Customer are retained by VERITAS.

3. LICENSE RESTRICTIONS

In addition, Customer may only use the Licensed Software on a host based device that is the Designated Computer to which such Licensed Software is licensed. Customer shall not use the Licensed Software to process data from a storage device unless the storage device is directly connected either (a) to a processor on the Designated Computer to which the Licensed Software is licensed, or (b) to an additional processor or processors on the network, where Customer has an appropriate number and level of licenses for such processor(s).

8.3.2 VERITAS shall bill applicable taxes as a separate item on Customer's invoice and shall not include them in the purchase price. If a transaction is exempt from tax, Customer shall provide VERITAS with a valid exemption certificate or other evidence of such exemption in a form acceptable to VERITAS. If Customer is required by law to withhold any tax from the payment, Customer shall provide to VERITAS original or certified copies of all tax payment receipts or other evidence of payment of taxes by Customer with respect to transactions under this Agreement. If Customer fails to provide VERITAS with such tax payment receipts, if applicable, then Customer shall reimburse VERITAS for any fines, penalties, taxes and other governmental agency charges resulting from such failure.

VERITAS DOES NOT WARRANT THAT THE LICENSED SOFTWARE SHALL MEET CUSTOMER'S REQUIREMENTS OR THAT USE OF THE LICENSED SOFTWARE SHALL BE UNINTERRUPTED OR ERROR FREE.

10. INTELLECTUAL PROPERTY INDEMNIFICATION

10.1 VERITAS shall defend any claim against Customer that the Licensed Software infringes any intellectual property right of a third party in the Territory, provided that the country within the Territory is a signatory to the Berne Convention, and shall indemnify Customer against any and all damages finally awarded against the Customer by a court of final appeal, or agreed to in settlement by VERITAS and attributable to such claim, so long as Customer: (i) provides VERITAS prompt written notice of the claim; (ii) provides VERITAS all reasonable assistance and information to enable VERITAS to perform its duties under this Section; and (iii) allows VERITAS sole control of the defense and all related settlement negotiations; and iv) has not compromised or settled such claim. in its sole opinion that it is likely to be found to infringe, then VERITAS may: (i) obtain for Customer the right to continue to use the Licensed Software; (ii) modify the Licensed Software to be non-infringing or replace it with a non-infringing functional equivalent, in which case Customer shall stop operating any infringing version of the Licensed Software; or (iii) terminate Customer's rights and VERITAS' obligations under this Agreement with respect to such Licensed Software and refund to Customer the unamortized portion of the license fee paid for the relevant Licensed Software based on a five year straight-line depreciation schedule, such depreciation schedule to be deemed to have commenced on the delivery date of the relevant Licensed Software.

10.2 VERITAS does not assume liability for infringement claims arising from (i) modification of the Licensed Software other than by VERITAS; (ii) use of the Licensed Software other than in accordance with the Documentation and this Agreement; (iii) combination, use, or operation of the Licensed Software with products not provided by VERITAS; (iv) Customer's use of the Licensed Software outside the Territory; or (v) use of an allegedly infringing version of the Licensed Software if the alleged infringement could be avoided by the use of a different version of the Licensed Software made available to the Customer.

11.4 **Effect of Termination.** Upon termination of this Agreement, Customer must immediately discontinue use of and destroy all copies of the Licensed Software in its possession or control, including any master copy, and within ten (10) days certify in writing to VERITAS through a corporate officer that all such copies have been destroyed. Any payment obligations of Customer incurred prior to termination shall survive termination of this Agreement.

12. LIMITATION OF LIABILITY

IN NO EVENT SHALL VERITAS OR ITS SUPPLIERS BE LIABLE TO CUSTOMER OR ANY PERSON FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION, LOSS OF PROFITS, LOSS OF DATA, BUSINESS INTERRUPTION OR ANY AND ALL OTHER SIMILAR DAMAGES OR LOSS, EVEN IF VERITAS, ITS RESELLERS, SUPPLIERS OR ITS AGENTS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Customer agrees to keep accurate business records relating to its use of the Licensed Software. Upon thirty (30) days prior written notice, the Customer agrees to provide written reports related to the Customer's use of the Licensed Software to ensure Customer's compliance with its obligations under this Agreement. In the event that Customer fails to provide reports acceptable to VERITAS, VERITAS may inspect Customer's records related to Customer's use of the Licensed Software. Either VERITAS or an independent public accounting firm it selects, under nondisclosure obligations and reasonably acceptable to Customer, shall perform the inspection during Customer's regular business hours with minimal disruption to Customer's ongoing business operations. The inspection shall examine Customer's business records pertaining to the purchase of the Licensed Software and it's deployment within Customer's computing environment. The costs of the inspection shall be paid by VERITAS, unless the inspection discloses Customer's actual use exceeds five (5) percent of the quantity of licenses purchased, in which case, Customer shall pay the reasonable costs of the inspection. VERITAS shall invoice Customer and Customer shall pay VERITAS at the then-current in-country published list price for any noncompliance usage disclosed by the inspection.

Additional Definitions:

"Users": Users means your full-time and part-time employees, temporary employees, third-party contractors and consultants and third-party agents and any other third parties that you authorize and enable to access or use the Software in accordance with the terms of this Agreement.

USE OF THIS SOFTWARE AFTER THE EXPIRATION OF THE FIXED-TERM, OR ANY ATTEMPT TO DEFEAT THE DISABLING FUNCTION, WILL BE IN VIOLATION OF THIS AGREEMENT AND MAY CONSTITUTE COPYRIGHT INFRINGEMENT.

1. Grant of License.

Autodesk, Inc. ("Autodesk") grants you a nonexclusive, nontransferable license to use this program (the "Software") and its manual, if any, and other accompanying material ("Documentation") with equipment owned by you or under your control, according to the terms and conditions of this Agreement. This Agreement permits a single user to install and use the Software on only one computer at one location at any one time.

Network Version: If this Software is a Network Version, you may use the Software only over a protected network environment, for your own internal business needs, with the Autodesk License Manager tool, and you may install the Software and operate the Autodesk License Manager tool on a single server computer in a single location which may be accessed by other computers, or on an individual computer, as a multiple-user installation with either:

(ii) the maximum number of concurrent users being more than one (1), in which case you must purchase an additional license for each additional concurrent user.

Use of software or any device that reduces the number of computers/devices which access the Software when used in a server configuration does not reduce the number of licenses required.

Educational Version: If this Software is an Educational Version, you may use it only for the purpose of instruction and for personal learning purposes, and for no other purpose. Educational Versions of the Software may not be used for commercial, professional, or for-profit purposes.

Evaluation Version: If this Software is identified as a demonstration, evaluation, or NFR version, you may use it only for the purpose of commercial evaluation and demonstration. You may not use it for competitive analysis, or commercial, professional, or for-profit purposes.

Backup Copy: Regardless of which version of the Software you have acquired, you may make one archival (backup) copy of the Software. Such archival copy may not be installed on another computer, unless such computer is a partitioned drive of a server to which only the authorized user has access. In any event, the archival copy may not be used or installed as long as another copy of the Software is installed on

any computer. If the Documentation is in printed form, it may not be copied. If the Documentation is in electronic form, it may not be duplicated electronically, however, you may print out one (1) copy, which may not be copied.

Additional Installation: Except with Educational, Student and Evaluation Versions, you may make a second copy of the Software on the hard disk of a second computer owned by you or under your control provided that (1) the original and second copies are used only by the same person; (2) the second copy is installed and used only on either (i) with respect to Network Versions, a redundant server that makes the Software available for use only when your primary server on which the Software is installed becomes inoperable, or (ii) a notebook computer, home computer, or other non-server computer away from your usual work location for the purpose of enabling you to perform work while away from your usual work location; (3) only one of the Software copies is in use at any one time; (4) the second copy of the Software is used exclusively with the copy protection device (if any) supplied with the Software, and (5) the Software is not licensed and/or labeled as an Educational Version or Student Version.

Upgrades: If this Software is labeled as an upgrade ("New Version") to software previously licensed to you ("Previous Version"), you must destroy all copies of the Previous Version, including any copies resident on your hard disk drive, and upon request by Autodesk return any Documentation to Autodesk or your Autodesk Authorized Reseller within sixty (60) days of acquiring the New Version. Autodesk reserves the right to require you to show satisfactory proof that the Previous Version has been destroyed. In the event Autodesk or an authorized third-party in connection with the Software licensed to you hereunder provides you additional software that supplements or extends the Software, that additional software shall be subject to the terms and conditions of this Agreement unless otherwise specified at the time of delivery.

Notwithstanding the foregoing, you may retain and need not destroy the Previous Version and may use the Previous Version solely if necessary for the purposes of (1) installing the New Version hereby licensed and (2) for archival (backup) purposes in order to reinstall the New Version hereby licensed if the initial installation fails. Under no circumstances may you operate the Previous Version.

Authorization Code: If this Software requires an authorization code, you must register your purchase of this Software with Autodesk before an authorization code shall be issued to you, and Autodesk shall maintain your registration details in conformance with its privacy policy.
