Warranty on or Maintenance Services for any Product ordered during the term of the Contract may extend beyond the term of this Contract. Performance of an order or SOW issued during the term of this Contract may survive the expiration of the term of this Contract, in which case all terms and conditions required for the operation of such order or SOW shall remain in full force and effect until the Warranty or Maintenance Services pursuant to such order or SOW have met the final Acceptance criteria of the applicable Authorized User.

If Supplier fails to cure the breach and/or default as noted, such Authorized User may immediately terminate its order, in whole or in part. Any such termination shall be deemed a Termination for Breach or a Termination for Default. In addition, if Supplier is found by a court of competent jurisdiction to be in violation of or to have violated 31 USC 1352 or if Supplier becomes a party excluded from Federal Procurement and Non-procurement Programs, VITA may immediately terminate this Contract, in whole or in part, for breach. VITA shall provide written notice to Supplier of such termination and Supplier shall provide written notice to VITA if Supplier is charged with violation of 31 USC 1352 or if federal debarment proceedings are instituted against Supplier.

**E. Effect of Termination**

Upon termination, neither the Commonwealth, nor VITA, nor any Authorized User shall have any future liability except for Products or certain Maintenance or other Services accepted by the Authorized User prior to the termination date.

**F. Transition of Services**

Prior to or upon expiration or termination of this Contract and at the request of VITA, Supplier shall provide all assistance as VITA or an Authorized User may reasonably require to transition Product-related Services to any other supplier with whom VITA or such Authorized User contracts for provision of Product-related services. This obligation may extend beyond expiration or termination of the Contract for a period not to exceed six (6) months. In the event of a termination for breach and/or default of Supplier, Supplier shall provide such assistance at no charge or fee to VITA or any Authorized User; otherwise, Supplier shall provide such assistance at the hourly rate or a charge agreed upon by Supplier and VITA or an Authorized User.

---

## **H. Contract Closeout**

Prior to the contract's expiration date, Supplier may be provided contract close out documentation and shall complete, sign and return to VITA Supply Chain Management within 30 days of receipt. This documentation may include, but not be limited to: Patent/Royalty Certificate, Tangible Property/Asset Certificate, Escrow Certificate, SWaM Reports Completion Certificate, Sales Reports/IFA Payments Completion Certificate, and Final Payment Certificate. Supplier is required to process these as requested to ensure completion of close-out administration and to maintain a positive performance reputation with the Commonwealth of Virginia. Any closeout documentation not received within 30 days of Supplier's receipt of our request will be documented in the contract file as Supplier non-compliance. Supplier's non-compliance may affect any pending payments due the Supplier, including final payment, until the documentation is returned.

## **4. DELIVERY, INSTALLATION AND ACCEPTANCE**

### **A. Delivery Procedure**

Supplier shall deliver all Product F.O.B. destination, with such destination being the "ship to" address specified in the applicable order. For orders for which Supplier is to provide installation of the Product, Supplier shall bear all risk of loss of or damage to the Product until Receipt/Acceptance by the Authorized User. For orders for which Supplier is not to provide installation of the Product, Supplier shall bear all risk of loss or damage to the Product until Receipt. In all cases, Supplier shall arrange and pay for all transportation and insurance sufficient to fully protect the Product while in transit. Each shipment shall include a packing slip indicating this Contract number, the Authorized User's order number, the part number, a description of the Product shipped and the quantity shipped. Each package in any shipment shall be numbered, shall have stenciled on one end and one side a description of the quantity of Product contained therein by part number and description, and shall conspicuously display the number of the package in that shipment which contains the packing slip. If required by the Authorized User, Supplier shall bar code all packages shipped. If any loss to, or damage of, the Product occurs prior to Acceptance by the Authorized User, Supplier shall immediately provide a replacement item. Title to Product, excluding System Software, shall pass upon Acceptance.

Supplier shall make available all appropriate and/or related user documentation at the time of delivery of the first unit of each different Product type. Product delivered without the appropriate and required documentation shall be considered "shipped short" until the applicable documentation has been received.

### **B. Late Delivery**

Supplier hereby acknowledges and agrees that failure to deliver the Product ordered in strict accordance with the agreed upon delivery schedule determined in accordance with this Section shall constitute a material breach of this Contract resulting in damages to the ordering Authorized User, the total sum of which would be impracticable or difficult to ascertain as of the Effective Date of this Contract. As an estimate of the minimum amount of damages such Authorized User will suffer, Supplier agrees to credit the Authorized User an amount equal to one percent (1%) of the total purchase price, for each day that the Product is undelivered or unoperational for a period of thirty (30) days following the agreed upon delivery date. If the delay lasts longer than thirty (30) days, the Authorized User may immediately cancel the order and collect as late delivery damages one percent (1%) of the total purchase price. Any credit due the Authorized User will be applied to the next periodic invoice.

In addition, in the event the Supplier fails for any reason to deliver within thirty (30) days of the agreed upon delivery date set forth in the order/schedule, the ordering Authorized User, at its own discretion, may give Supplier oral or written notice of breach. Once notice by such Authorized User is sent or given, the Authorized User may immediately procure the undelivered items, or items similar thereto, from another source. Once the Authorized User has effected a purchase from an alternate source (in accordance with the Virginia Public Procurement Act, §§ 2.2-4300 et seq. of the Code of Virginia), the Authorized User may charge-back Supplier, in which case Supplier agrees to reimburse the Authorized User for any difference in cost between

---

the original contract price and the Authorized User's cost to cover from the alternate source. In no event shall any Authorized User be held to pay Supplier any costs incurred by Supplier, including but not limited to ordering, marketing, manufacturing, or delivering the item(s) which are subject of such Authorized User 's notice of breach. Notwithstanding the foregoing, the Authorized User reserves any and all other remedies available at law or in equity.

**C. Product Trade-in and Upgrade**

(To be determined prior to contract execution)

**D. Product Installation**

Unless otherwise agreed, Supplier shall provide the initial installation of all Product at no additional charge. Installation shall include: unpacking, removal of all shipping/packing materials, positioning, connecting to internal utility services, testing, related necessary services to allow for Acceptance by the Authorized User.

All Product installations shall comply with building and facilities standards established by the ordering Authorized User. If such Authorized User installs the Product, Supplier shall provide all reasonably necessary telephone assistance at no charge.

**E. Product Acceptance**

Product shall be deemed accepted when the ordering Authorized User determines that such Product successfully operates in accordance with the Requirements. Such Authorized User shall commence Acceptance testing within fifteen (15) days, or within such other period as set forth in the applicable order, after Receipt/installation of the Product. Acceptance testing will be no longer than fifteen (15) days, or such longer period as may be agreed in writing between Authorized User and Supplier. Supplier agrees to provide to the Authorized User such assistance and advice as the Authorized User may reasonably require, at no additional cost, during such Acceptance testing, other than pre-approved travel expenses incurred which are reimbursable by the Authorized User at the then-current per diem amounts as published by the Virginia Department of Accounts. Any such travel expenses must be pre-approved by the Authorized User and shall be reimbursable by such Authorized User at the then-current per diem amounts as published by the Virginia Department of Accounts ([http://www.doa.virginia.gov/Admin\\_Services/CAPP/CAPP\\_Topics/20335\\_Meals\\_Lodging\\_102007.pdf](http://www.doa.virginia.gov/Admin_Services/CAPP/CAPP_Topics/20335_Meals_Lodging_102007.pdf), or a successor URL(s)). Authorized User shall provide to Supplier written notice of Acceptance upon successful Acceptance testing. Should Authorized User fail to provide Supplier written notice of successful or unsuccessful Acceptance testing within five (5) days following the Acceptance testing period, the Product(s) shall be deemed Accepted.

**F. Cure Period**

Supplier shall correct any non-conformities identified during Acceptance testing and re-submit such previously non-conforming Product for re-testing within seven (7) days of written notice of non-conformance, or as otherwise agreed between the Authorized User and Supplier in the applicable order. Should Supplier fail to cure the non-conformity or deliver Product which meets the Requirements, such Authorized User may, in its sole discretion: (i) reject the Product in its entirety and recover amounts previously paid hereunder; (ii) issue a "partial Acceptance" of the Product with an equitable adjustment in the price to account for such deficiency; or (iii) conditionally accept the applicable Product while reserving its right to revoke Acceptance if timely correction is not forthcoming. Failure of a Product to meet, in all material respects, the Requirements after the second set of acceptance tests may constitute a default by Supplier. In the event of such default, the Authorized User may, at its sole discretion, terminate its order, in whole or in part, for the Product and any Services to be provided thereunder by Supplier.

**G. Product Discontinuation**

During the term of this Contract, if any Product listed on Exhibit C is discontinued and Supplier does not offer a substitute acceptable to VITA, Supplier shall, for each Authorized User who purchased the discontinued Product, continue to meet such Authorized User's needs for the discontinued Product for not less than twelve (12) months. Additionally, Supplier shall make available to the Authorized User maintenance parts for discontinued Product for five (5) years from the date of such discontinuation. In every event, Supplier will provide any Authorized User

---

with 120 days advance written notice of its intent to discontinue any Product type previously ordered by such Authorized User.

## **5. PRODUCT SUPPORT AND ADDITIONAL SERVICES**

### **A. Authorized User or Third Party Support**

#### **1. Documentation and Support Availability**

In the event that VITA terminates this Contract, Supplier shall provide all the necessary user and installation documentation and maintenance and repair training reasonably required to enable any Authorized User to maintain and repair the Product itself or to obtain support and maintenance services from a third-party. Supplier shall also provide the documentation and training necessary to allow any Authorized User to self-maintain to the subcomponent level. In addition, Supplier agrees to provide, for a period of five (5) years from the date of the last purchase, spare parts and components at the cost set forth in Exhibit C, including those solely sourced by Supplier, to enable any Authorized User or its designated third-party maintenance provider to provide full maintenance and repair of the Product.

#### **2. Timeliness and Price**

Supplier agrees to make the above-referenced documentation, training and spare parts and components available within fifteen (15) days following receipt of a written request, and at a price set forth in Exhibit C, such price not to exceed Supplier's published price list, or the fair market value, but in no event at prices above the lowest price paid by any other customer of Supplier. In addition, Supplier agrees to sell Product, as set forth in Exhibit C attached hereto, to any Authorized User's third-party maintenance provider under contract with such Authorized User, at the prices as set forth in Exhibit C, for the sole purpose of supporting the Authorized User's installed inventory. Supplier agrees to document and provide to all Authorized Users in a timely manner any and all revisions to information and parts and components lists as they are developed or supplied by Supplier.

### **B. Engineering Changes and Product Modification**

For each Authorized User that purchased Product, Supplier agrees to document and provide to such Authorized User any and all planned engineering changes to the Product ninety (90) days prior to incorporation. All engineering changes which affect the safety of the Product ("Safety Changes") or the ability of the Product to meet the published specifications ("Performance Changes"), shall be made at no cost to the Authorized User. Supplier shall install all Safety Changes and Performance Changes within thirty (30) days after issuance of the engineering change order by the Product manufacturer. If such engineering changes affect Product processing or operating capability, they shall be scheduled at the Authorized User's request as to time and at the Authorized User's option. The Authorized User shall have the option to waive/pre-approve all other engineering changes planned by Supplier on the Product delivered or planned for delivery to the Authorized User.

### **C. Training**

The Product purchase price includes all costs for the training of one trainer at the ordering Authorized User's designated location on the use and operation of the Product, including instruction in any necessary conversion of such Authorized User's data for such use. Pursuant to a mutually agreed upon schedule, Supplier shall provide sufficient personnel experienced and qualified to conduct such training. Available optional training, and applicable pricing and discounts, are described in Exhibit C.

### **D. Parts and Maintenance Support**

Supplier agrees to make available new/certifiable as new spare parts and the Maintenance Services identified in the Maintenance Services section herein and Exhibit D hereto for each Product type ordered by an Authorized User, for five (5) years from the expiration of the initial Warranty Period of the last unit of any given Product type provided by Supplier to such Authorized User. Thereafter, Supplier shall advise such Authorized User of its intent to

---

discontinue either certain parts or maintenance services for any Product type ordered by the Authorized User.

Supplier shall notify the Authorized User one (1) year prior to the effective date of any such discontinuance, and shall provide to the Authorized User the opportunity to purchase spare parts in a quantity adequate to support its installed base. Should Supplier advise the Authorized User of its intent to discontinue certain parts for any Product type ordered by the Authorized User, the Authorized User has the option to request and Supplier has the obligation to provide, all documentation, including source code, required to ensure ongoing support, including full maintenance and repair by the Authorized User or its designated third-party maintenance provider within thirty (30) days prior to the discontinuance date or to replace the unsupported Product with a supported Product at a cost to the Authorized User of no more than the cost delta between the supported Product and the unsupported Product.

#### **E. Inventory Record**

Supplier shall maintain, at no additional cost, a record of all units of Product covered under warranty/maintenance by type, quantity and location, including the end date for each unit's Warranty Period or maintenance term ("Inventory Record"). Product quantities and types may vary as Product is added or deleted from coverage, and Authorized User shall notify Supplier in writing of any Product relocated, added, or removed from service. Upon such notification, Supplier shall amend the Inventory Record to reflect such relocation, addition, or deletion of Product. Supplier shall provide, at no additional cost, a copy of the most current Inventory Record to any Authorized User upon request.

#### **F. Product Service Record**

Supplier shall maintain, at no additional cost, a Product Service Record for each unit of Product covered under warranty or maintenance. The Product Service Record shall record the following for such unit of Product: (i) installation/ relocation/ removal/ modifications; (ii) remedial actions; (iii) preventive actions; (iv) any additional services not covered by warranty or maintenance. Upon request by the Authorized User, Supplier shall provide, at no additional cost, a copy of the Product Service Record.

#### **G. Additional Services**

In addition to any on-site warranty or maintenance service obligations, Supplier shall, upon request of an Authorized User by means of an order issued in accordance with the ordering provisions of this Contract, provide additional on-site services which may include: (i) relocation of previously installed hardware; (ii) assistance to Authorized User's communications department in mutually acceptable duties related to the warranty or maintenance services provided under this Contract; and (iii) cabling, if applicable. The Authorized User shall compensate Supplier for such additional on-site services in accordance with the prices identified in Exhibit C.

Furthermore, Supplier shall, upon request of an Authorized User by means of an order issued in accordance with the ordering provisions of this Contract, provide the following services beyond those identified as warranty or maintenance service offerings: (i) service on equipment not covered by this Contract, (ii) repair of damage or replacement of parts of hardware resulting from changes in the hardware environment, extraordinary use of the hardware, or interconnected devices, or (iii) service outside the applicable hours of service specified in an executed order referencing this Contract. The charge for such services shall be at the hourly rate specified in Exhibit C and shall be inclusive of all expenses. Warranty or maintenance services requested for a unit of hardware within the forty-eight (48) hour period immediately following Remedial Maintenance performed on the same unit of hardware for the same problem, shall not be considered an additional service and shall be provided at no charge. Requests for additional services shall only be approved for payment by the Authorized User when a Product Service Record is included with the applicable invoice.

The following provisions apply to both Option 1 and Option 2.

**D. Authorized User Compliance**

Compliance with the terms and conditions of any license granted pursuant to this Contract is solely the responsibility of the Authorized User which purchased such license and not the responsibility of VITA, unless VITA purchased such license on its own behalf.

**E. No Subsequent, Unilateral Modification of Terms by Supplier (“Shrink Wrap”)**

Notwithstanding any other provision or other unilateral license terms which may be issued by Supplier after the Effective Date of this Contract, and irrespective of whether any such provisions have been proposed prior to or after the issuance of an order for System Software licensed under this Contract, or the fact that such other agreement may be affixed to or accompany System Software upon delivery (“shrink wrap”), the terms and conditions set forth herein shall supersede and govern licensing and delivery of all products and services hereunder.

**10. ORDERS AND COMPENSATION**

**A. Supplier Quote and Request for Quote**

Should an Authorized User determine that a competitive process is required to ensure it receives the best value, such Authorized User may, at its sole discretion, on a case-by-case basis and upon approval by VITA, use a Request for Quote (RFQ) process to obtain product identical or similar to that provided by Supplier pursuant to this Contract. The RFQ process is typically used when an Authorized User requires a complete solution that may be fulfilled by Products and Services herein, but whose complexity or size may result in economies that could not be passed on to the Authorized User within the confines of the established contract catalog discount pricing. When an RFQ is used, the project timing and requirements will be clearly outlined in the RFQ document. In some situations, the Authorized User may not identify the exact specifications required. If that is the case, the RFQ respondents will be given the opportunity to identify and propose their recommended specifications.

In cases where the RFQ process is invoked, the Authorized User will issue an RFQ describing its requirements to potential suppliers, and suppliers will provide, at their discretion, within the timeframe specified in the RFQ, a detailed Statement of Work (SOW)-based quote. Any quote submitted to the Authorized User as a result of this process shall include (a) a detailed description of each item proposed, at the Exhibit C line item level, (b) the quantity of each such item, (c) the contract price, (d) any additional percentage discount offered, and (e) an extended/total price.

Generally, the Authorized User will select the supplier offering the lowest total cost proposal. However, non-price factors may be included in the evaluation criteria for a given RFQ. Any purchase from Supplier that is a result of the RFQ process shall be subject to the terms and conditions specified and outlined in this Contract and any subsequent modifications. Additional terms and conditions may be requested or mandated within the RFQ document. To the extent that any terms and conditions of the Authorized User are inconsistent with the terms and conditions of this Contract, the terms and conditions of this Contract shall supersede.

**B. Orders**

Notwithstanding all Authorized User’s rights to license or purchase Supplier’s products or services under this Contract, an Authorized User is under no obligation to license or purchase from Supplier any of Supplier’s products or services. This Contract is optional use and non-exclusive and all Authorized Users may, at their sole discretion, purchase, license or otherwise receive benefits from third party suppliers of products and services similar to, or in competition with, the products and services provided by Supplier.

---

Supplier is required to accept any order placed by an Authorized User through the eVA electronic procurement website portal ([eVA Home Page](#)). eVA is the Commonwealth of Virginia's e-procurement system. State agencies, as defined in §2.2-2006 of the Code of Virginia, shall order through eVA. All other Authorized Users are encouraged to order through eVA, but may order through the following means:

viii).Purchase Order (PO): An official PO form issued by an Authorized User.

ix). Any other order/payment charge or credit card process, such as AMEX, MASTERCARD, or VISA under contract for use by an Authorized User.

This ordering authority is limited to issuing orders for the Products and Services available under this Contract. Under no circumstances shall any Authorized User have the authority to modify this Contract. An order from an Authorized User may contain additional terms and conditions; however, to the extent that the terms and conditions of the Authorized User's order are inconsistent with the terms and conditions of this Contract, the terms of this Contract shall supersede.

Notwithstanding the foregoing, Supplier shall not accept any order from an Authorized User if such order is to be funded, in whole or in part, by federal funds and if, at the time the order is placed, Supplier is not eligible to be the recipient of federal funds as may be noted on any of the Lists of Parties Excluded from Federal Procurement and Non-procurement Programs.

ALL CONTRACTUAL OBLIGATIONS UNDER THIS CONTRACT IN CONNECTION WITH AN ORDER PLACED BY ANY AUTHORIZED USER ARE THE SOLE OBLIGATION OF SUCH AUTHORIZED USER AND NOT THE RESPONSIBILITY OF VITA UNLESS SUCH AUTHORIZED USER IS VITA.

#### **C. Purchase Price and Price Protection**

Exhibit C sets forth the prices by Product type (including whole units and repairable major components thereof) and for warranty services and Maintenance Services, and the appropriate Commonwealth discounts. Prices for Product shall not increase and the discounts shall not decrease for a period of not less than two (2) years from the Effective Date of this Contract. Thereafter, any increase in price shall be limited to once per twelve (12) month period and shall not exceed the lesser of three percent (3%) or the annual increase in the Consumer Price Index for All Urban Consumers (CPI-U), U.S. City Average, for the expenditure category "Information technology, hardware and services" as published by the Bureau of Labor Statistics of the Department of Labor (<http://www.bls.gov/>), for the effective date of the increase compared with the same index one (1) year prior. Supplier shall demonstrate the added value for any requested price increase. Any change in price shall be submitted in writing in accordance with the above and shall not become effective for sixty (60) days thereafter. Semi-annually, VITA may check the prices for Product against the CPI-U, as defined above, for the expenditure category "Information technology, hardware and services", and the prices in Exhibit C shall be appropriately reduced to ensure continued price competitiveness, if required. Supplier agrees to offer Product price reductions to ensure compliance with the Competitive Pricing Section.

#### **D. Supplier-Sponsored Product Promotions**

The Supplier, at its discretion, may sponsor Product and Service promotions during the Contract term or any extensions thereof. Should Supplier choose to sponsor such a promotion, Supplier shall provide in writing to VITA, at least five (5) days prior to the promotion, the following information: (i) the dates of the promotion or the duration of the promotion to include the commencement date and the ending date; (ii) the exact Products or Services covered in the promotion; and (iii) the pricing or percentage discount offered during the promotion. VITA shall communicate to Supplier in writing its agreement to the promotion.

The Supplier shall be in breach of the Contract in the absence of a written agreement regarding the promotion. In any event wherein the Supplier proposes prices that are different than the Contract prices to any Authorized User without first obtaining VITA's agreement, the Supplier shall be in breach of the Contract, and VITA shall have all remedies available under Contract and law and in equity.

---

All Supplier-sponsored Product or Service promotions shall be available to all Authorized Users. Should the Supplier request a promotion that would be limiting, either through product configuration or quantities of Products and Services, VITA, at its sole discretion, may not provide a written agreement. VITA and Supplier agree that promotions shall not target any one Authorized User, or a few Authorized Users.

VITA and Authorized Users, at their discretion, may assist in advertising the promotion. This assistance may consist of advertising space on Authorized User web sites, or other assistance at an Authorized User's discretion.

#### **E. Invoice Procedure**

Supplier shall remit each invoice to the "bill-to" address provided with the order promptly after all Products or Services have been accepted. Payment for Maintenance Services shall be annually in arrears unless otherwise stated herein. No invoice shall include any costs other than those identified in the executed order, which costs shall be in accordance with Exhibit C. Without limiting the foregoing, all shipping costs are the Supplier's responsibility except to the extent such charges are identified in Exhibit C, or as noted in any executed order referencing this Contract. Invoices issued by the Supplier shall identify at a minimum:

- i). Product or Service type and description
- ii). Product serial number, if any
- iii). Quantity, charge and extended pricing for each Product and/or Service item
- iv). Applicable order date
- v). Ship date
- vi). Ship-to location contact name
- vii). This Contract number and the applicable order number
- viii). Supplier's Federal Employer Identification Number (FEIN).

Supplier shall submit separate invoices for the Maintenance charges (detailing the Product types and quantities by Authorized User site), for billable additional services, and for any installation services, including the appropriate Product Service Record or other agreed upon written instrument. Additional invoices may be required by Authorized User from time to time detailing charges for Product at affiliate locations by corporate department.

Any terms included on Supplier's invoice shall have no force or effect and will in no way bind VITA or any Authorized User.

#### **F. Purchase Payment Terms**

Supplier is responsible for the accuracy of its billing information. Supplier agrees not to issue invoices hereunder until Product has been accepted. Charges for Product or Services accepted more than ninety (90) days prior to receipt of a valid invoice may not be paid. Should Supplier repeatedly over bill Authorized User, Authorized User may assess a one percent (1%) charge for the amount over billed for each month that such over billing continues.

Product shipped without the applicable Documentation may not meet Acceptance criteria, and payment shall not be due until after the required Documentation is provided.

If there are any disputed items, an Authorized User shall pay all undisputed charges and promptly notify Supplier in writing of any disputed amount. Supplier shall thereupon review its records, and, if it does not concur with the Authorized User, provide the Authorized User with documentation to support the charge. If such charges remain in dispute, such dispute shall be resolved in accordance with the Dispute Resolution section of this Contract. In the absence of the Supplier's written evidence identifying the merit of the disputed amounts, Authorized User may not pay the disputed amounts and may consider the matter concerning the specific identified amounts closed. All payment terms are net 30 days after Acceptance.

If Supplier enters into any arrangement with another customer of Supplier or with an Authorized User to provide Software or Services under more favorable prices, as the prices may be indicated on Supplier's current U.S. and International price list or comparable document, then this Contract shall be deemed amended as of the date of such other arrangements to incorporate those more favorable prices, and Supplier shall immediately notify VITA of such change.

## 13. CONFIDENTIALITY

### A. Treatment and Protection

Each Party shall (i) hold in strict confidence all Confidential Information of any other Party, (ii) use the Confidential Information solely to perform or to exercise its rights under this Contract, and (iii) not transfer, display, convey or otherwise disclose or make available all or any part of such Confidential Information to any third-party. However, an Authorized User may disclose the Confidential Information as delivered by Supplier to subcontractors, contractors or agents of such Authorized User that are bound by non-disclosure contracts with such Authorized User. Each

---

Party shall take the same measures to protect against the disclosure or use of the Confidential Information as it takes to protect its own proprietary or confidential information (but in no event shall such measures be less than reasonable care).

**B. Exclusions**

The term “Confidential Information” shall not include information that is:

- i). in the public domain through no fault of the receiving Party or of any other person or entity that is similarly contractually or otherwise obligated;

**14. INDEMNIFICATION AND LIABILITY**

**A. Indemnification**

Supplier agrees to indemnify, defend and hold harmless the Commonwealth, VITA, any Authorized User, their officers, directors, agents and employees (collectively, “Commonwealth’s Indemnified Parties”) from and against any and all third party claims, demands, proceedings, suits and actions, including any related liabilities, obligations, losses, damages, assessments, fines (whether criminal or civil), judgments, settlements, expenses (including attorneys’ and accountants’ fees and disbursements) and costs (each, a “Claim” and collectively, “Claims”), incurred by, borne by or asserted against any of Commonwealth’s Indemnified Parties to the extent such Claims in any way relate to, arise out of or result from: (i) any intentional or willful conduct or negligence of any employee, agent, or subcontractor of Supplier, (ii) any act or omission of any employee, agent, or subcontractor of Supplier (iii) breach of any representation, warranty or covenant of Supplier contained herein, (iv) any defect in the Product or Services, or (v) any actual or alleged infringement or misappropriation of any third party’s intellectual property rights by any of the Product or Services. In all cases the selection and approval of counsel and approval of any settlement shall be satisfactory to VITA or the Authorized User against whom the claim has been asserted.

In the event that a Claim is commenced against any of Commonwealth’s Indemnified Parties alleging that use of the Product or any Product component or that the provision of Services under this Contract infringes any third party’s intellectual property rights and Supplier is of the opinion that the allegations in such Claim in whole or in part are not covered by this indemnification provision, Supplier shall immediately notify VITA and the affected Authorized User(s) in writing, via certified mail, specifying to what extent Supplier believes it is obligated to defend and indemnify under the terms and conditions of this Contract. Supplier shall in such event protect the

---

interests of the Commonwealth's Indemnified Parties and secure a continuance to permit VITA and the affected Authorized User(s) to appear and defend their interests in cooperation with Supplier as is appropriate, including any jurisdictional defenses VITA or the affected Authorized User(s) may have.

And in addition, Supplier shall provide any Authorized User with a comparable temporary replacement Product or reimburse VITA or any Authorized User for the reasonable costs incurred by VITA or such Authorized User in obtaining an alternative product in the event such Authorized User cannot use the affected Product.
