Subject: Certification letter

Dear Mr. Stewart:

We are a small agency so we will be purchasing several copiers in the next biennium; however, we will not have any IT investments for the upcoming 2008-2010 budget biennium.

I further understand that, should my agency IT investment change, I will immediately contact my agency's designated VITA Customer Account Manager to initiate an appropriate agency IT strategic planning update.

Nancy Armstrong, Superintendent
Virginia School for the Deaf and the Blind
