Dear Mr. Stewart:

I hereby certify that the Motor Vehicle Dealer Board does not presently have any proposed IT investments for the upcoming 2008-2010 budget biennium and I hereby delegate my plan certification authority within the Commonwealth agency IT strategic planning system (ProSight) to the Project Management Division (PMD) of VITA. I further understand that, should my agency IT investment status change, I will immediately contact my agency's designated VITA Customer Account Manager to initiate an appropriate agency IT strategic planning update.

Bruce Gould
