Subject: Certification Letter for Exempt Agencies

Dear Mr. Stewart:

I hereby certify that the Governor's Office for Substance Abuse Prevention (GOSAP, 853) does not presently have any proposed IT investments over the amount of \$50,000 for the upcoming 2008-2010 budget biennium. I hereby delegate my plan certification authority within the Commonwealth agency IT strategic planning system (ProSight) to the Project management Division (PMD) of VITA. I further understand that, should my agency IT investment status change, I will immediately contact my agency's designated VITA Customer Account Manager to initiate an appropriate agency IT strategic planning update.
