**MODIFICATION #1  
TO  
CONTRACT NUMBER VA-020808-APEX BETWEEN THE  
COMMONWEALTH OF VIRGINIA  
AND  
APEX SYSTEMS, INC**

This MODIFICATION #1 is an agreement between the Commonwealth of Virginia, hereinafter referred to as "State" or "Commonwealth", and Apex Systems, Inc., hereinafter referred to as "Contractor", relating to Contract VA-020808- APEX as amended, hereinafter referred to as the "Contract" or "Agreement". This Modification #1 is hereby incorporated into and made an integral part of the Agreement.

The purpose of this Modification #1 is to document both parties' agreement concerning the DIT name change to VITA, delete, add and replace terms and conditions, add reporting requirements and report format, increase hourly rate adjustment (per contract term #44) and replace Contracts Manager with Contract Administrator.

Both parties agree to the following:

1. The term of the Contract shall be renewed for an additional one (1) year period, from August 30, 2004 through August 29, 2005.
2. The Virginia General Assembly passed legislation that abolished the Department of Information Technology (DIT) as of July 1, 2003. All activities and functions of DIT have been consolidated into a new agency that is the Virginia Information Technologies Agency. Therefore, for the purposes of this Agreement all references to either the Commonwealth, or DIT, or VITA, shall have the same meaning.
3. Contract term #24, Contractual Disputes, is deleted and replaced with the following:

**Contractual Disputes**

In accordance with Section 2.2-4363 of the Code of Virginia, Contractual claims, whether for money or other relief, shall be submitted in writing to the VITA no later than sixty (60) days after final payment; however, written notice of the Contractor's intention to file such claim must be given to VITA at the time of the occurrence or beginning of the work upon which the claim is based. Pendency of claims shall not delay payment of amounts agreed due in the final payment. VITA shall render a final decision in writing within thirty (30) days after its receipt of the Contractor's written claim.

The Contractor may not invoke any available administrative procedure under Section 2.2-4365 of the Code of Virginia nor institute legal action prior to receipt of the purchasing agency's decision on the claim, unless that agency fails to render its decision within thirty (30) days. The decision of the purchasing agency shall be final and conclusive unless the Contractor, within six (6) months of the date of the final decision on the claim, invokes appropriate action under Section 2.2-4364, Code of Virginia or the administrative procedure authorized by Section 2.2-4365, Code of Virginia.

Contractor agrees to submit any and all contractual disputes arising from this contract to VITA's alternative dispute resolution procedures. Contractor may invoke VITA's alternative dispute resolution procedures at any time and concurrently with any other statutory remedies prescribed by the Code of Virginia.

In the event of any breach by the Commonwealth, Contractor's remedies shall be limited to claims for damages and Prompt Payment Act interest and, if available and warranted, equitable relief, all such claims to be processed pursuant to this Section. In no event shall Contractor's remedies include the right to terminate any license or support services hereunder.

4. Contract term #44, second paragraph is deleted and replaced with the following:

“When placing an Order, an Authorized User, in its sole discretion, may determine that it needs individuals with qualifications much higher than specified in this Agreement (more than 2 additional years extra experience or specialized training) **or may request a specific subcontractor to perform the service.** In such cases, the Authorized User and the Contractor may agree to modify the qualification requirements for a specific Order in exchange for an appropriate adjustment in the hourly rate. However, in no event may the hourly rate be increased to an amount more than **35%** above the hourly rate specified in this Agreement. Any modification agreed to by the Authorized User and Contractor shall apply only to that specific Order and shall apply only if the agreed change is reduced to writing and signed by both the Contractor and the Authorized User before commencement of the work affected by the change.

5. The following term and conditions are added to the contract as section number:

#50. **Subcontractor Verses Prime Contractor:**

It is understood and agreed to by the Contractor that in the event the Commonwealth desires to work with a specific subcontractor instead of the Prime Contractor in a Statement of Work, that request will be honored and granted in accordance with Contract term #44 as contained in this Modification #1.

#51. **Prime Contractor Responsibilities:**

The Contractor shall be responsible for completely supervising and directing all services under this Contract and all subcontractors utilized. Subcontractors who perform services under this Contract shall be responsible to the prime contractor. The Contractor agrees that he is fully responsible for the acts and omissions of his subcontractors and of persons employed by them as he is for the acts and omissions of his own employees.

#52. **Small Businesses, Women And Minority-Owned Businesses Requirement/Report:**

Where it is practicable for any portion of the awarded contract to be subcontracted to other suppliers, the contractor shall give full and fair consideration to small businesses, women and minority -owned businesses (SWAM). When such business has been subcontracted to these firms, the contractor agrees to furnish the VITA Contract Administrator with a monthly report within the first ten (10) calendar days of the following month that includes the report format information as requested and provided by the Commonwealth. The SWAM report must be submitted electronically to the VITA Contract Administrator monthly in the attached report format to reflect SWAM-owned business subcontract results or to indicate there were no SWAM subcontracting results for the reporting month.

6. Delete all references to Contract Manager and replace with Contract Administrator.
7. Delete Contract term #26-*Compliance With Federal Lobbying Act* and reserve section number, delete Contract term #49- *Final Actual Involvement Report* and reserve section number.
8. Delete Contract term #28, Contractor's Report of Sales and replace with:

**CONTRACTOR MONTHLY REPORT OF SALES /2% IFA**

The Contractor shall report the monthly dollar value, in U.S. dollars, of all sales under this Contract by month. The report shall also show an accumulative record of all sales which shall carry forward for the duration of the contract. Within the first ten (10) calendar days of the following month, the Contractor shall submit an electronic monthly report of sales that includes the information provided in the report format as attached and signed to the VITA Contract Administrator and the VITA Controller showing all contract sales information as requested. The report shall also show an accumulative record of all sales which shall carry forward for the duration of the Contract. A Contract sale is defined as the total of all invoices paid by the Commonwealth during the reported month. The dollar value of a sale is the price paid by the User for services under the contract as recorded by the Contractor. The Contractor shall remit the 2% IFA check (made out to the Controller, VITA) with the signed "Contractor Monthly Report of Sales" to the VITA Controller with electronic copy (not actual check) of the submitted check and "Contractor Monthly Report of Sales" to the VITA Contract Administrator.

9. I certify by my signature below that Apex Systems, Inc. is current with all reporting requirements, IFA fees are paid up to date, this firm is registered in eVA and has signed an eVA Trading Partner Agreement (TPA).

The foregoing is the complete and final expression of the parties' agreement to modify Contract VA-020808-APEX and cannot be modified, except by a writing signed by duly authorized representatives of both parties.

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.**

**PERSONS SIGNING THIS CONTRACT ARE AUTHORIZED REPRESENTATIVES OF EACH PARTY TO THIS CONTRACT AND ACKNOWLEDGE THAT EACH PARTY AGREES TO BE BOUND BY THE TERMS AND CONDITIONS OF THE CONTRACT.**

1. The Department of Information Technology (DIT) desires to establish multiple statewide contracts with qualified vendors for the purpose of obtaining Staff Augmentation with established rates for information technology professionals for state agencies, institutions and other public bodies as defined in Section 2.2-4301 of the Virginia Public Procurement Act (VPPA), hereinafter referred to as "Authorized Users", on an as-needed basis.
2. Awards, if made, will be to firms with the lowest hourly rate in the service categories listed in the schedule. There are 19 IT Service Categories and separate awards will be made for on-site, off-site and off-shore services in each Service Category (a total of 57 sub-categories).

Each vendor shall provide with their bid a diskette or CD-ROM containing their rates on an Excel Spreadsheet that can be downloaded from : <http://asd.state.va.us/bids/200248.htm>. Vendors may make changes to this sheet only as stated in this solicitation. A printed copy of the spreadsheet must also be provided with the bid response. MAKE SURE THE DISK IS LABELED WITH THE FIRM'S NAME.

Bidders shall make Attachment "A" the first page of their submission. The attachment will be followed by the cover (page 1) of the solicitation, the page printed from the spreadsheet and immediately followed by the remainder of the solicitation document and required attachments. Failure to follow the above procedure may delay the evaluation of a vendor's proposal and may result in a non-responsive bid determination.

3. The solicitation document consists of:

4. The hourly rate bid by the bidders will be their fully burdened hourly rate for a fully qualified individual, within each Service Category. The Commonwealth defines "fully qualified" as:

- \* 5 years of experience and demonstrated skills in the service category in which a person is proposed

or;

- \* 3 years of experience and demonstrated skills in the service category in which the person is proposed and either:

- \* an industry recognized certification in a field directly related to the service category in which an individual is proposed, or
- \* Degree in a field of study directly related to the service category in which an individual is proposed

For Service Categories SC8 (Desktop Support), SC13 (Help Desk Support) and SC14 (IT Operations Support), "fully qualified" shall be defined as having One (1) year of directly related experience in the Service Category.

For particular assignments, Authorized Users, in their sole discretion, may determine that they do not need the level of qualifications specified above, or they may determine that they need individuals with qualifications much higher than specified above (more than 2 additional years extra experience or specialized training needed by the agency). In such cases, Authorized Users and the contractor may agree to modify the qualification requirements for a specific work order in exchange for an appropriate adjustment in hourly rate. This must be done in accordance with the modification clause (BOA Section 44 ("Changes/Amendments"))

Each responding vendor must have at least one "fully qualified" individual in each service category in which they submit a bid.

- 5. DIT intends to make multiple awards in each category provided sufficient bids are received and competition exists. Providing DIT determines that sufficient competition exists, it is DIT's intent to award to the lowest ten (10) bidders in each category and to make additional awards to bidders whose proposed hourly rate is within 30% of the rate proposed by the lowest bidder.
- 6. In order to qualify for award, each bidder must certify that their bid complies with the requirements listed in Attachment "A". The bidder shall certify by signing both the cover page of the solicitation document and the signature block on Attachment "A". Bidders who fail to submit an acceptable, signed Attachment "A" will not have their prices accepted for evaluation.

7. Each award will stand alone and a challenge to any proposed award will not affect the remaining awards. The Commonwealth reserves the right to cancel the solicitation in whole or in part and to make awards in less than all categories and to make determination of the number of awardees in each category.
8. These are OPTIONAL USE CONTRACTS to assist users in meeting their individual requirements for the service categories listed herein, however, the Commonwealth is not required to purchase IT services from any vendors which may win a contract under this solicitation. The Commonwealth reserves the option to advertise and contract for individual consulting services on any basis it may require during the term of the resulting contracts.
9. When responding to an Order from an "Authorized User", Vendors shall submit to the hiring agency an Information Technology Professional (ITSS) Qualification Form or resume of the proposed personnel in response to the "Authorized User's" Order. However, if a resume is submitted, all the information required on the ITSS Qualification Form must be provided. An example of the ITSS Qualification Form is found in Attachment C. The Vendor shall be provided a written, telephonic or faxed request setting forth the tasks, statement of work and/or required skills of the position(s). 10. Hiring agencies shall review the qualifications of the individuals presented and shall have the option to conduct interviews with the candidates presented by the Vendor. If the "Authorized User", in its sole discretion, determines the individual(s) reviewed is/are acceptable, the "Authorized User" shall issue an Order for the specified individual(s). The Commonwealth reserves the right to refuse any or all individuals presented by the Vendor.
11. The Vendor shall accept or notify the issuing Agency that the Order is not acceptable within two (2) working days of receipt of the Order.
12. Upon acceptance of the Order, the consultant(s) named shall report for work no later than the date specified in the Order, which must be within ten (10) days, or a date mutually agreed upon by the Vendor and the hiring agency. The agreed upon date should be specified in the Order. Vendor shall specifically commit, and shall make available at the date(s) specified, the NAMED individual(s) identified in each Order after acceptance of the Order.
13. Vendor's personnel are not authorized to commence work on any project until the vendor has been provided a written Order issued under this contract. 16. The Vendor agrees not to remove any personnel assigned under an Agency's Order without the approval of the hiring Agency's Project Officer (person issuing the original order or their designee). In the event the individuals assigned (NAMED) on an Order become unavailable, either through sickness, resignation from the firm or inability to perform at an acceptable level, the Vendor agrees to provide an approved replacement. If the replacement offered is unacceptable to the Commonwealth, the Order may be terminated at the sole option of the using agency.
17. Should Vendor's IT professional(s) be removed due to sickness, resignation, or failure to satisfactorily perform his or her assigned duties, the replacement will perform his/her duties for a period of ten (10) working days at no cost to the Commonwealth. This period of time is provided for the new IT professional to become familiar with the Commonwealth's program(s) and his/her relationship to the overall system.
18. Work hours will be established by the hiring agency, however, normal work hours are from 8:00 a.m. to 5:00 p.m., Monday through Friday, (State holidays excluded). Vendor's personnel may be required to work unusual hours and times to meet project related requirements and/or suspense dates. When unusual hours are required, the hiring agency will provide sufficient advance notice for proper planning. All over-time (defined as any hours worked in excess of 40 hours within a calendar work week) must be authorized by the by the hiring agency in writing. Contractors may bill 150% of the hourly rate specified on the Order, for all overtime hours.

During the performance of this Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or Contractor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific Contract awarded to a Contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the Contract.

## **17. PAYMENT**

### **a. To Prime Contractor:**

- 1) Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/Contract. All invoices shall show the state Contract number and/or purchase order number; social security number (for individual Contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
- 2) Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
- 3) All goods or services provided under this Contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the Contract price, regardless of which public agency is being billed.
- 4) The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
- 5) **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, Contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges that appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth or Authorized User shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination.

A Contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges that are not in dispute (Code of Virginia, § 2.2-4363).

b. To Subcontractors:

- 1) A Contractor awarded a Contract under this solicitation is hereby obligated:
  - (a) To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Authorized User for the proportionate share of the payment received for work performed by the subcontractor(s) under the Contract; or
  - (b) To notify the agency and the subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason.
- 2) The Contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the Contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Authorized User, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.

## **18. ASSIGNMENT OF CONTRACT**

A Contract shall not be assignable by the Contractor in whole or in part without the written consent of the Commonwealth.

## **19. RATES**

The Rates identified in the schedule of this Contract are fully burdened hourly rates. Fully burdened means inclusive of all labor, meals, lodging and all other costs necessary for the Contractor to reasonably provide Services identified herein.

This limitation of liability will not apply, however, to liability arising from: (a) personal injury or death; (b) defect or deficiency caused by willful misconduct or negligence on the part of the Contractor; or (c) circumstances where the Contract expressly provides a right to damages, indemnification or reimbursement.

## **23. FAILURE TO DELIVER**

In the event the Contractor fails for any reason to deliver in a timely manner or according to Contract terms the items set forth in the Schedule, the Commonwealth, at its own discretion, may give Contractor oral or written notice of such breach. Once notice by State is sent or given, State may immediately procure the items from another source. Once State has effected a purchase from an alternate source (in accordance with the Virginia Public Procurement Act) the parties agree that the State may charge-back Contractor, in which case Contractor agrees to reimburse State for any difference in cost between the original Contract price and the State's cost to cover from the alternate source. In no event shall State be held to pay Contractor any costs incurred by Contractor, including but not limited to ordering, marketing, manufacturing, or delivering the item(s) which are subject of the State's notice of breach. This remedy is in addition to and not in lieu of any other remedy the Commonwealth may have under this agreement and the laws of the Commonwealth of Virginia.

## **24. CONTRACTUAL DISPUTES**

In accordance with Section 2.2-4363 of the Code of Virginia, Contractual claims, whether for money or other relief, shall be submitted in writing to the purchasing agency no later than sixty (60) days after final payment; however, written notice of the Contractor's intention to file such claim must be given to such agency at the time of the occurrence or beginning of the work upon which the claim is based. Pendency of claims shall not delay payment of amounts agreed due in the final payment. The Contractor may not invoke any available administrative procedure under Section 2.2-4365 of the Code of Virginia nor institute legal action prior to receipt of the purchasing agency's decision on the claim, unless that agency fails to render its decision within thirty (30) days. The decision of the purchasing agency shall be final and conclusive unless the Contractor, within six (6) months of the date of the final decision on the claim, invokes appropriate action under Section 2.2-4364, Code of Virginia or the administrative procedure authorized by Section 2.2-4365, Code of Virginia.

The Department of Information Technology, its officers, agents and employees, including, without limitation, the Contracts Manager, are executing this Agreement and any Orders issued hereunder, solely in its or their statutory and regulatory capacities as agent for the Commonwealth agency purchasing and receiving the goods or services identified in herein or on the subsequent Order in question and need not be joined as a party to any dispute that may arise thereunder.

In the event of any breach by the Commonwealth, Contractor's remedies shall be limited to claims for damages and Prompt Payment Act interest and, if available and warranted, equitable relief, all such claims to be processed pursuant to this Section. In no event shall Contractor's remedies include the right to terminate any license or support services hereunder.

## **25. PATENT(S), COPYRIGHT(S), AND/OR TRADE SECRET(S) PROTECTION**

Contractor, at its own expense, shall defend any suit brought against the Commonwealth for the infringement of patents, copyrights or trade secrets enforceable in the United States if the claim of infringement is alleged to relate to or arise from the Contractor's or Commonwealth's use of any equipment, software, materials or information prepared, developed or delivered in connection with performance of this Agreement. In such suit, Contractor shall indemnify the Commonwealth, its agents, officers and employees for any loss, liability or expense incurred as a result of such suit.

The purchasing agency shall notify the Contractor of such suit within a reasonable time after learning of it and shall give the Contractor the full right and opportunity to conduct the defense of the suit, subject however to the requirements of Section 2.1-122 and Section 2.1-127 of the Code of Virginia or any successor statute. If principles of governmental or public law are involved, the Commonwealth may, at its option and expense, participate in the defense of the suit.

The Contractor shall not be required to indemnify the Commonwealth for liability arising solely out of the Commonwealth's own specifications or design or solely from the combination of equipment or software furnished hereunder with any equipment or software not supplied by the Contractor.

If, any Product or Service becomes, or in the Contractor's opinion, is likely to become, the subject of a claim of infringement, Contractor may, at its option, provide noninfringing substitutes that are satisfactory to the Commonwealth, or at Contractor's option and expense, may obtain the right for the Commonwealth to continue the use of such Product or Service.

If the use of such equipment or software by the Commonwealth is prevented by permanent injunction or by Contractor's failure to procure the right for the Commonwealth to continue using the software, the Contractor agrees to take back the infringing equipment, software, materials or information and refund the total amount the Commonwealth has paid Contractor under this Agreement, less one (1 %) percent of the total paid for each month of use by the Commonwealth. This obligation is in addition to the obligations cited in the first four subparagraphs of paragraph 6. above.

## **26. COMPLIANCE WITH FEDERAL LOBBYING ACT**

- a. Contractor shall not, in connection with this Agreement, engage in any activity prohibited by 31 U.S.C.A. b. Contractor is hereby advised that a significant percentage of the funds used to pay Contractor's invoices under this Agreement may be federal funds. Under no circumstances shall any provision of this Agreement be construed as requiring or requesting the Contractor to influence or attempt to influence any person identified in 31 U.S.C.A. Section 1352 (a) (1) in any matter.

c. A representative of Contractor shall sign the certification attached as Attachment 1 to the BOA, IFB 2002-048, and deliver such certification to the Commonwealth simultaneously with the execution and delivery of this Agreement. Contractor shall have the certification signed by a representative with knowledge of the facts and shall fulfill the promises of undertakings set forth in the certification.

## **27. BREACH**

In the event of breach by the Contractor of any authorized Order, the Commonwealth shall have the right to immediately, or thereafter, terminate the Order or the entire Basic Ordering Agreement (without affecting the Basic Ordering Agreement with respect to existing Orders). In the alternative, Commonwealth may give written notice to the Contractor specifying the breach and providing a period of time in which such breach must be corrected. If the breach is not corrected within the period of time specified, the Order may be terminated.

The Commonwealth's failure to exercise its right to terminate for breach under this provision shall not be construed as a waiver of its right to terminate, rescind or revoke a contract in the event of any subsequent breach of any provisions of this Agreement.

## **28. CONTRACTOR'S REPORT OF SALES**

The Contractor must report the monthly dollar value, in U.S. dollars, of all sales under this Contract by month. Contractor shall submit each monthly report within the first ten (10) calendar days of the following month. With each monthly report, the Contractor shall also remit a summary report, which is identified as Attachment G to IFB 2002-048. The dollar value of a sale is the price paid by the Authorized User for products and services on a Contract order as recorded by the Contractor. The reported Contract sales value must include the Industrial Funding Adjustment, as delineated in paragraph entitled "Industrial Funding Adjustment". The Contractor shall provide both the monthly and the summary reports, signed, to the Contracts Manager, DIT. The report must show each individual item and quantities purchased and the Authorized User. The report is required to be electronic and shall be sent to the Contracts Manager, DIT. The Contractor shall define "sale" prior to the first reporting period and then shall maintain that definition through out the term of this Agreement. Sale may be defined as; 1) when the Commonwealth pays the purchase price, or 2) when the Commonwealth accepts the Products or 3) other as defined by the Contractor.

## **29. INDUSTRIAL FUNDING ADJUSTMENT**

The Contractor must pay DIT, an Industrial Funding Adjustment (IFA). The Contractor must remit the IFA within 30 days after the end of each monthly reporting period as established in the clause entitled "Contractor's Report of Sales". The IFA equals two percent (2%) of the total monthly sales reported. Contractor shall remit the IFA together with a copy of the Contractor's Report of Sales as delineated in the paragraph herein entitled "Contractor's Report of Sales". The IFA reimburses the

Commonwealth and defrays the costs for IT procurement and the administration of the subsequent awards. The IFA amount due must be paid by check with identification of "Contract number", "report amounts", and "report period", on either the check stub or other remittance material. DIT may at its discretion, agree to an electronic funds transfer in lieu of a check, however in the absence of an express written agreement from DIT that validates an EDI transfer agreement, then the payment shall be made by check as described herein made payable to the Controller, DIT.
