This MODIFICATION is an agreement between the Commonwealth of Virginia, Virginia Information Technologies Agency (hereinafter referred to as "VITA"), and Cellco Partnership, a Delaware general partnership d/b/a Verizon Wireless (hereinafter referred to as "Verizon Wireless"). This Modification # 4 is hereby incorporated into and made an integral part of Contract VA-090320-ALTL, as amended.

1. Reference: Contract Exhibit A, Pricing

The parties agree to the following additions/change to Exhibit A:

i. Unlimited Domestic Text Messaging, as shown below:

| Verizon Wireless Unlimited Domestic Text Messaging for Government Subscribers | |
|-------------------------------------------------------------------------------------------------------------------|----------------|
| The optional Unlimited Domestic Text Messaging for Government feature may be added onto an eligible calling plan. | |
| Unlimited Domestic Text Messaging | \$12.00 |

TXT Messaging: TXT Messaging includes Short Message Service (SMS up to 160 characters) and Enhanced Messaging Service (EMS up to 1120 characters). Enhanced TXT Messages sent to most SMS handsets will be delivered as multiple TXT messages of up to 160 characters each. Subscribers have the option to have text messages disabled entirely without affecting voicemail or other related services. TXT Messaging plans do not include Operator Assisted Messaging or International Messaging, which is available for 25¢ per message sent and 10¢ per message received; see www.vtext.com for details and countries. Verizon Wireless is not responsible for information sent using TXT Messaging or Enhanced TXT Messaging. Verizon Wireless cannot guarantee that messages will be received and is not responsible for messages that are lost or misdirected. Messages not delivered after 5 days are automatically deleted. Airtime charges do not apply to the sending or receiving of text messages. When sending messages from Equipment, the sender's MTN will always be sent to the destination, even if Caller ID is used to block voice calls.

Multi-Media Messaging (MMS): Multi-Media Messaging (MMS) includes Picture (PIX) and Video (FLIX) messaging and is only available within the National Enhanced Services Rate and Coverage Area. In addition to MMS charges, MMS uses calling plan home airtime minutes or kilobytes. Canceling an MMS after pressing SEND may result in sent messages that contain only partial content. Subscriber will be charged for outgoing MMS, even if not received by the intended recipient, or even if only partial content is delivered. Subscriber will not be charged for incoming MMS unless received. MMS that cannot be delivered within 5 days will be deleted. MMS is not available for use with a Mobile Office Kit. Camera phones are prohibited in some places. Subscribers are solely responsible for complying with all applicable laws, rules, regulations and policies regarding camera phone use.

THIS WIRELESS TELECOMMUNICATIONS SERVICES CONTRACT (“Contract”) is entered into by and between the Virginia Information Technologies Agency (hereinafter referred to as “VITA”), pursuant to §2.2-2012 of the Code of Virginia and on behalf of the Commonwealth of Virginia (“the Commonwealth”), and Alltel Communications, LLC (“Supplier”) to be effective as of the date set forth on the signature page of this Contract (“Effective Date”).

1. PURPOSE AND SCOPE

This Contract sets forth the terms and conditions under which Supplier shall provide wireless telecommunication Services and Products to any public body as defined by §2.2-4301 and referenced by §2.2-4304 of the Code of Virginia.

2. DEFINITIONS

A. Confidential Information

Any confidential or proprietary information of a Party that is disclosed in any manner, including oral or written, graphic, machine readable or other tangible form, to any other Party in connection with or as a result of discussions related to this Contract or any order issued hereunder, and which at the time of disclosure either (i) is marked as being “Confidential” or “Proprietary”, (ii) is otherwise reasonably identifiable as the confidential or proprietary information of the disclosing Party, or (iii) under the circumstances of disclosure should reasonably be considered as confidential or proprietary information of the disclosing Party.

B. Electronic Data

Data provided that can be read and used for computation and other operations by a computer system. For example, a billing file in a locked Adobe PDF format would *not* be considered Electronic Data.

C. Party

Supplier, VITA, or a public body (as defined by §2.2-4301 and referenced by §2.2-4304 of the Code of Virginia), including a Subscriber, which is a recipient of Supplier’s Services.

D. Product

A wireless handset, data card or other device provided by Supplier under this Contract.

E. Service

Any work performed or service provided by Supplier under this Contract for the benefit of VITA, a Subscriber, or any other public body on whose behalf VITA has placed an order with Supplier.

F. Subscriber

An individual or public body receiving Service or Product pursuant to an Order under this Contract.

G. Telecommunications Service Order (TSO)

An order for telecommunications services issued by VITA to a supplier of telecommunications services. For purposes of this Contract, a TSO shall refer to an order for Services, in substantially the form of Exhibit C to this Contract, issued by VITA to Supplier. Any TSO shall constitute an order.

H. USF Subscriber

Subscriber which is receiving funding from the federal Universal Service Fund (USF) for Services or Products.

I. VITA

Virginia Information Technologies Agency, an agency of the Commonwealth of Virginia pursuant to Chapter 20.1 (§§2.2-2005 et seq.) of the Code of Virginia or successor agency.

3. TERM AND TERMINATION

A. Contract Term

This Contract is effective and legally binding as of the Effective Date and, unless terminated as provided for in this section, shall continue to be effective and legally binding through June 30, 2011. VITA, at its sole option, may extend the term of this Contract for up to six (6) additional one (1) year periods after the expiration of the initial contract term. VITA will issue a written notification to the Supplier stating the extension period, not less than thirty (30) days prior to the expiration of any current term.

B. Termination for Convenience

VITA may terminate this Contract, in whole or in part, or any order issued hereunder, in whole or in part, or a USF Subscriber may terminate an Order, in whole or in part, upon not less than thirty (30) days prior written notice at any time for any reason (“Termination for Convenience”). VITA may also immediately terminate this Contract, in whole or in part, or any order issued hereunder, if Supplier becomes a party excluded from Federal Procurement and Nonprocurement Programs. VITA shall provide written notice to Supplier of such termination, and Supplier shall provide prompt written notice to VITA if federal debarment proceedings are instituted against Supplier. Supplier shall submit any contractual or order dispute to VITA or the terminating Subscriber for resolution according to the terms of the Dispute Resolution Section of this Contract.

Upon termination for convenience, neither the Commonwealth nor VITA nor any public body, to include any USF Subscriber, shall have any future liability except for Services rendered by Supplier prior to the termination date of the Contract or order. The Commonwealth makes no assurances that any Service purchased under this Contract will remain in service for any minimum amount of time.

C. Termination for Breach or Default

VITA shall have the right to terminate this Contract, in whole or in part, or any order issued hereunder, in whole or in part, for breach and/or default of Supplier (“Termination for Breach” or “Termination for Default”). Supplier shall be deemed in breach and/or default in the event that Supplier fails to meet any material obligation set forth in this Contract or in any order issued hereunder.

If VITA deems the Supplier to be in breach and/or default, VITA shall issue a “Show Cause Notice” identifying the failure and providing Supplier fifteen (15) days to cure the failure/nonperformance. If Supplier fails to answer the Show Cause Notice, or does not correct the deficiencies noted, VITA may immediately terminate this Contract, in whole or in part, or any order issued hereunder, in whole or in part,. Such termination shall be deemed a Termination for Breach or Termination for Default.

VITA may immediately terminate this Contract, in whole or in part, for breach and/or default if Supplier is found by a court of competent jurisdiction to be in violation of or to have violated 31 USC 1352. VITA shall provide written notice to Supplier of such termination, and Supplier shall provide prompt written notice to VITA if Supplier is charged with violation of 31 USC 1352.

Upon Termination for Breach or Termination for Default, neither the Commonwealth, nor VITA, nor any public body, to include any Subscriber, shall have any future liability except for Products or Services accepted prior to the termination date. Supplier shall refund any monies paid by VITA or any USF Subscriber for Services that were not accepted by VITA or the Subscriber.

The failure of VITA or a USF Subscriber to exercise its right to terminate for breach and/or default under this provision shall not be construed as a waiver of its right to terminate for breach and/or default, rescind or revoke this Contract or any order issued hereunder in the event of any subsequent breach and/or default on any provisions of such agreements.

Supplier shall submit any contractual or order dispute to VITA for resolution according to the terms of the Dispute Resolution Section.

The terms of the Termination for Convenience and Termination for Breach or Default Sections shall not apply to termination for non-appropriation of funds.

D. Non Appropriation of Funds

All funds for payment for Services or Products ordered under this Contract are subject to the availability of legislative appropriation for this purpose. In the event of non-appropriation of funds by the Legislature for the items under this Contract, the Commonwealth will terminate this Contract, in whole or in part, for those Services or Products for which funds have not been appropriated. Written notice will be provided to the Supplier as soon as possible after legislative action is completed.

If any purchases are to be supported by federal funding, and such funding is not made available, the Commonwealth may terminate this Contract for Products or Services dependent on such federal funds without further obligation.

E. Transition of Services

Prior to or upon expiration or termination of this Contract, Supplier shall provide all assistance reasonably required to transition Services to any other supplier with whom VITA contracts for provision of services identical or similar to the Services provided by Supplier pursuant to this Contract. This obligation may extend beyond expiration or termination of the Contract for a period not to exceed six (6) months. 7. ORDERS AND COMPENSATION

A. Telecommunications Service Orders

VITA shall have the exclusive authority to order all Services and Products, except those ordered directly by USF Subscribers. To order Services, VITA will issue a written Telecommunications Service Order (TSO) to the Supplier for any Service(s) or Product(s) identified herein. A valid TSO should (i) reference the Contract number; (ii) be signed by an ordering officer authorized to contractually bind the Commonwealth; and (iii) identify the Service(s) or Product(s) to be acquired, the price for each Service (in accordance with this Contract, including Exhibit A, Pricing), the required Service Commencement Date for each Service, and, as applicable, the location(s) where each Service shall be performed. In no event shall a TSO include a request for any service not identified in this Contract.

Upon receipt of a written TSO, the Supplier shall process such TSO and return a Service Order containing the following information:

- i). Verification that the TSO is technically correct;
- ii). Date Services will commence;
- iii). Verification of the charge for each item (Service) to be provided, and;
- iv). Other applicable administrative information necessary to deliver the Services requested on the TSO.

VITA's standard TSO template is provided as Exhibit C.

B. Ordering Officer(s)

VITA will designate in writing any individual authorized (Ordering Officer) to issue orders for the Services. Notwithstanding anything to the contrary, the Commonwealth or the USF Subscriber will make payment only pursuant to a valid order executed by an Ordering Officer. The authorized Ordering Officers for this Contract are listed in Exhibit E, which may change from time to time.

Notwithstanding the foregoing, Supplier shall not accept any order from a Subscriber if such order is to be funded, in whole or in part, by federal funds and if, at the time the order is placed, Supplier is not eligible to be the recipient of federal funds as may be noted on any of the Lists of Parties Excluded from Federal Procurement and Nonprocurement Programs.

ALL CONTRACTUAL OBLIGATIONS UNDER THIS CONTRACT IN CONNECTION WITH AN ORDER PLACED BY ANY USF SUBSCRIBER ARE THE SOLE OBLIGATION OF SUCH USF SUBSCRIBER AND NOT THE RESPONSIBILITY OF VITA.

C. Purchase Price and Price Protection

Exhibit A, Pricing, sets forth the fees and the applicable discounts. No public body will be required to pay any additional costs above those costs provided for in Exhibit A, Pricing. Supplier may submit to VITA a request for an increase in such fees or a decrease in such discounts. Such request must be accompanied by written documentation to VITA demonstrating the additional value reflected by such increase in fee or decrease in discount. VITA may, in its sole discretion, agree to a modification of this Contract to effectuate such increase in fees or decrease in discounts.

Any price decrease effectuated during the Contract term, or any extension thereto, by reason of market change shall be passed on to VITA and all Subscribers. This decrease shall be effective on the date the price decrease is announced to the general public.

At all times during the term of this Contract and any extensions thereto, Supplier's prices on Exhibit A, Pricing, shall at all times comply with §§ 56-234 et seq. of the Code of Virginia. RFP 2009-05 Pricing Submittal - Equipment and Accessories

The Commonwealth seeks pricing for all equipment offered related to all services offered.

The Commonwealth suggests offering at least one (1) basic voice-only telephone with two-way speakerphone at no charge for the entire term of the contract.

In addition to any "no-charge" units offered, the Commonwealth is interested in an equipment pricing structure that streamlines the process of introducing new equipment and presenting equipment pricing to potential contract users. To that end the Commonwealth requests, and the example(s) below include(s), "percent off list" pricing that would be applied consistently to each manufacturer's equipment for the term of the contract.

The Commonwealth recognizes that there are benefits that may be achieved by "refreshing" equipment on a regular basis. Please propose an explicit refresh structure that results in the sharing of those benefits with the Commonwealth.

All equipment prices should include the cost of handling and shipping to any address in the Commonwealth of Virginia (i.e., the Commonwealth will not pay additional charges for standard ground shipping).

If additional shipping or handling charges apply to any new orders for equipment shipped to addresses within the Commonwealth of Virginia in an expedited manner, provide details below including the applicable delivery interval.

If shipping or handling charges apply to any equipment shipped to addresses outside the Commonwealth of Virginia, provide details below.

If additional shipping or handling charges apply to any new orders for equipment shipped to addresses outside the Commonwealth of Virginia in an expedited manner, provide details below including the applicable delivery interval(s).

Supplier must disclose any and all fees and charges that may apply under any conditions, clearly stating such conditions.

If Supplier has made any assumptions upon which the rates, charges or discounts are conditioned, they must be disclosed here.

The first few rows of the table are populated with sample data.

RFP 2009-05 Pricing Submittal - Software Licenses & Support

In the table below, identify and price every software product required to adequately support the Solution proposed.

The scope of use for each License Type is as defined in RFP Section 8 and is to be used in formulating Supplier pricing.

Annual Software Support and Maintenance cost is expected to be given as a percent of the fee actually paid for each license, valid for at least five (5) years after contract signing.

Software Support and Maintenance includes helpdesk, bug fix and all new releases and upgrades issued by OEM (software publisher).

If Supplier has made any assumptions upon which the rates, charges or discounts are conditioned, they must be disclosed here.

Supplier must disclose any and all fees and charges that may apply under any conditions, clearly stating such conditions.

Supplier may expand the table to accommodate the full catalog of software proposed.

The first few rows of the table are populated with sample data.

RFP 2009-05 Pricing Submittal - Additional Discounts

The Commonwealth seeks additional volume discounts or rebates based on the total amount spent on contract services and equipment.

This aggregate contract spend discount is suggested because of the simplicity of calculating and applying it.

Supplier may expand the table to accommodate all discounts proposed.

If Supplier has made any assumptions upon which the discount(s) is (are) conditioned, they must be disclosed here.

The first few rows of the table are populated with sample data.

Pricing/Discounts reflect Alltel no longer offering Cross-Carrier Consolidation.

| Discount Name | Discount Description | Discount basis (e.g., total spend, etc.) | % Discount | Assumptions/Restrictions |
|---------------|----------------------|------------------------------------------|------------|----------------------------------------------------------------------------------------------------------------------|
| COV - Rebate | Monthly rebate | Total monthly spend | 17% | Rebate is off the total monthly spend for the COV account. This is a short-pay on behalf of COV on the monthly bill. |

As a note concerning Additional Discounts: The Commonwealth of Virginia should be aware that no reduction in payment can be submitted for Erate (Schools and Libraries) funded services. The Universal Service Administrative Company (USAC), which was established by the FCC to manage the Erate process, requires schools and libraries pay 100% of the non-Erate discount portion of all services for which they receive Erate discounts. Failure to do so would jeopardize the school and libraries future Erate funding.

EXHIBIT B – SERVICE REQUIREMENTS

A. Service Commencement Date

The Supplier shall begin delivery of Services on the date requested by VITA or the USF Subscriber and agreed to by the Supplier in an order. VITA or a USF Subscriber may delay the Service commencement date by notifying the Supplier at least three (3) days before the scheduled Service commencement date.

VITA requires that Supplier provide delivery equal to or better than that provided its commercial and retail customers. Failure to comply with this provision may be considered grounds for termination of this Contract.

B. Acceptance

Service(s) or Product(s) shall be deemed accepted when VITA or the Subscriber determines that the Services or Product(s) ordered meet the requirements or written criteria set forth herein, the manufacturer's specifications and/or the applicable order. VITA or the Subscriber shall commence Acceptance testing within a reasonable time period after commencement of the Service or delivery of the Product or within such longer time period mutually agreed upon by the Parties to the order. VITA or the Subscriber shall have seventy-two (72) hours, or such longer period as may be agreed upon between Supplier and VITA or the Subscriber in an order, from completion of Services to evaluate and accept the Services ("Evaluation Period"), provided that VITA or the Subscriber, in its sole discretion, may accept the same prior to expiration of the Evaluation Period. If the Supplier's a Service or Product fail to meet the specifications or requirements of the Contract or the applicable order, or those required by the Supplier's own technical documentation, then VITA or the Subscriber may require the Supplier to re-perform such Service, or repair or replace such Product.

Acceptance shall be effective for the purpose of making payment for Services or Products, as applicable, provided, however, Acceptance by VITA or Subscriber following the evaluation period shall not be conclusive that the Services conform in all respects to the specifications and requirements of the Contract or the applicable order. In the event that nonconformance therewith is discovered by VITA or Subscriber after Acceptance, whether due to a latent defect or otherwise, the Supplier shall take whatever action is necessary, including but not limited to re-performance of Services, to conform the Services to the specifications and requirements of the Contract or the applicable order. The Supplier's failure to do so shall constitute a default on the Contract or the applicable order for which VITA or Subscriber may exercise the remedies provided in the section of the Contract entitled "Termination for Breach or Default," in addition to and not in lieu of any other remedies available at law or in equity.

C. Cure Period

Supplier shall correct the non-conformities identified hereunder and shall thereafter commence re-performance of Services, within five (5) days of written notice of non-conformance by VITA or the Subscriber, or as otherwise agreed between VITA and Supplier or Subscriber and Supplier. In the event that Supplier fails to deliver a Service which meets the Requirements, VITA or the Subscriber may, in its sole discretion: (i) reject the Service in its entirety and recover amounts previously paid hereunder; (ii) issue a "partial Acceptance" of the Service with an equitable adjustment in the price to account for such deficiency; or (iii) conditionally accept the applicable Service while reserving its right to revoke Acceptance if timely correction is not forthcoming. Rejection will terminate the individual order issued under this Contract, and at the sole option of VITA, the Contract. Notwithstanding the foregoing, VITA or the Subscriber shall be entitled to pursue any other remedies that are available to it under this Contract and at law or in equity.

D. Response

Throughout the Contract term, including any extensions thereto, Supplier shall respond to reports of interruption of Service and acknowledge all requests for restoration of Service with a status report within one (1) hour after notification by VITA or a Subscriber that a Service or Product failure has occurred. Supplier shall include in its status report a description of the failure and the

estimated time to repair/restore Services. Updates shall be provided every two hours until resolution.

E. Product Replacement

In the event that a replacement Product is required for Subscriber to continue to use a Service, Supplier shall deliver such replacement to Subscriber within 24 business hours of the determination that replacement equipment is required.

As an alternate and during non-business hours, the SPOC shall provide representatives available twenty-four (24) hours per day, seven (7) days a week, including weekends and holidays, via a toll free telephone number.

VITA shall be rebated, or credited, a prorated hourly portion of the applicable monthly service charges for each occurrence during which VITA or a Subscriber is denied use of the Service due to Service failures and disruptions for four (4) or more hours during any single twenty-four (24) hour period. The rebate shall apply to the initial four (4) hours and all additional hours, or portions thereof, during which VITA or the public body which is the recipient of Supplier's Services is denied access to the Service.
