As consideration for the Products, Services and Deliverables provided hereunder, an Authorized User shall pay Supplier the fee(s) set forth on Exhibit D, which lists any and all fees and charges. The fees and any associated discounts shall be applicable throughout the term of this Contract; provided, however, that in the event the fees or discounts apply for any period less than the entire term.

Supplier agrees that it shall not increase the fees more than once during any twelve (12) month period, commencing at the end of year one (1). No such increase shall exceed the lesser of three percent (3%) or the annual increase in the Consumer Price Index for All Urban Consumers (CPI-U), U.S. City Average, All Items, Not Seasonally Adjusted, as published by the Bureau of Labor Statistics of the Department of Labor (<http://www.bls.gov/cpi/home.htm>), for the effective date of the increase compared with the same index one (1) year prior. Any such change in price shall be submitted in writing in accordance with the above and shall not become effective for sixty (60) days thereafter. Supplier agrees to offer price reductions to ensure compliance with the Competitive Pricing Section.

B. Reimbursement of Expenses

If allowable pursuant to an Authorized User's SOW, such Authorized User shall pay, or reimburse Supplier, for all reasonable and actual travel-related expenses for greater than thirty (30) miles from portal to portal incurred by Supplier during the relevant period; provided, however, that such Authorized User shall only be liable to pay for Supplier's travel-related expenses, including transportation, meals, lodging and incidental expenses, that have been authorized by such Authorized User in advance and which will be reimbursable by such Authorized User at the then-current per diem amounts as published by the Virginia Department of Accounts (<http://www.doa.virginia.gov>, or a successor URL(s)).

All reimbursed expenses will be billed to the Authorized User on a pass-through basis without any markup by Supplier. At Authorized User's request, Supplier shall provide copies of receipts for all travel expenses over US\$30.00.

C. Statement of Work (SOW)

An SOW shall be required, when appropriate for any Products, Services or Deliverables ordered by an Authorized User pursuant to this Contract. All Services shall be performed at the times and locations set forth in the applicable SOW and at the rates set forth in Exhibit D herein. Unless VITA issues a written authorization for a time and materials type SOW, any SOW shall be of a fixed price type, but may with the written approval of VITA, contain a cost-reimbursable line item(s) for pre-approved travel expenses. For time and materials type SOWs, Supplier personnel shall maintain daily time records of hours and tasks performed which shall be submitted or made available for inspection by the Authorized User upon forty-eight (48) hours advance written notice.

D. Ordering

Notwithstanding all Authorized User's rights to license or purchase Supplier's Products or Services under this Contract, an Authorized User is under no obligation to purchase or license from Supplier any of Supplier's Products or Services. This Contract is optional use and non-exclusive, and all Authorized Users may, at their sole discretion, purchase, license or otherwise receive benefits from third Party Suppliers of Products and Services similar to, or in competition with, the Products and Services provided by Supplier.

Supplier is required to accept any order placed by an Authorized User through the eVA electronic procurement website portal (<http://www.eva.virginia.gov>). eVA is the Commonwealth of Virginia's e-procurement system. State agencies, as defined in §2.2-2006 of the Code of Virginia, shall order through eVA. All other Authorized Users are encouraged to order through eVA, but may order through the following means:

- i). Purchase Order (PO): An official PO form issued by an Authorized User.
- ii). Any other order/payment charge or credit card process, such as AMEX, MASTERCARD, or VISA under contract for use by an Authorized User.

This ordering authority is limited to issuing orders for the Products, Software, Services, and Deliverables available under this Contract. Under no circumstances shall any Authorized User have the authority to modify this Contract. An order from an Authorized User may contain additional terms and conditions; however, to the extent that the terms and conditions of the Authorized User's order are inconsistent with the terms and conditions of this Contract, the terms of this Contract shall supersede.

Notwithstanding the foregoing, Supplier shall not accept any order from an Authorized User if such order is to be funded, in whole or in part, by federal funds and if, at the time the order is placed, Supplier is not eligible to be the recipient of federal funds as may be noted on any of the Lists of Parties Excluded from Federal Procurement and Nonprocurement Programs.

ALL CONTRACTUAL OBLIGATIONS UNDER THIS CONTRACT IN CONNECTION WITH AN ORDER PLACED BY ANY AUTHORIZED USER ARE THE SOLE OBLIGATION OF SUCH AUTHORIZED USER AND NOT THE RESPONSIBILITY OF VITA UNLESS SUCH AUTHORIZED USER IS VITA.

E. Supplier Quote and Request for Quote

Should an Authorized User determine that a competitive process is required to ensure it receives the best value, such Authorized User may, at its sole discretion, on a case-by-case basis and upon approval by VITA, use a Request for Quote (RFQ) process to obtain Products, Services or Deliverables identical or similar to those provided by Supplier pursuant to this Contract. The RFQ process is typically used when an Authorized User requires a complete solution that may be fulfilled by Products, Software and Services herein, but whose complexity or size may result in economies that could not be passed on to the Authorized User within the confines of the established contract catalog discount pricing. When an RFQ is used, the project timing and Requirements will be clearly outlined in the RFQ document. In some situations, the Authorized User may not identify the exact specifications required. If that is the case, the RFQ respondents will be given the opportunity to identify and propose their recommended specifications.

Supplier shall respond to the RFQ by providing a quote, which shall include (a) a detailed description of each Product, Services and Deliverables proposed, at the Exhibit D line item level, (b) the quantity of each such component, (c) a unit price not to exceed the price(s) in Exhibit D, (d) any additional percentage discount offered, and (e) an extended price. If requested by the Authorized User,

Should Supplier be unable to respond to the RFQ due, for example, to resource constraints, Supplier shall notify Authorized User in writing of its inability to perform the work requested by such Authorized User, and provide the reasons for such inability to perform, prior to the due date for the submission of quotes in response to the RFQ.

F. Orders that Include Trade-in Products

In addition to the foregoing, if an Authorized User places an order or SOW for Products, where a trade-in of old products is included, the Authorized User must comply with the Virginia DOA CAPP Manual and must adhere to the rules and regulations in the Agency Procurement and Surplus Property Manual, published by the Division of Purchases and Supply (DPS), Department of General Services (DGS). The Supplier agrees to provide relevant information and completion of related documentation in a timely manner as required by the Authorized User to satisfy compliance. Commonwealth localities are exempt from the requirements of this provision; however, may have specific requirements that must be included in their order or SOW to ensure Supplier compliance.

G. Product Transfers between Authorized Users

In the event of a transfer of Product to another location, the Authorized User receiving the transferred Product(s) will pay Supplier removal and installation charges. The Supplier is responsible for preparation and is reimbursed per the order or SOW authorized charges as

approved in advance by the Authorized User receiving the transferred Product(s). All purchase option credits, present and future on such Product(s) will remain in effect for use by the Authorized User receiving the transferred Product(s) and that Authorized User is responsible for tracking the Product(s) for compliance with the DOA CAPP Manual and the DGS Surplus Property Manual rules and regulations. H. Change Orders

All changes to the Services and Deliverables to be provided pursuant to any given order or SOW must be described in a written change request, which includes any appropriate adjustments to the order or SOW. Either Party to an order or SOW may issue a change request that will be subject to written approval of the other Party before it becomes part of this Contract. In no event shall any order or SOW or any modification thereto require the Supplier to perform any work beyond the scope of this Contract.

- v). Ship or delivery date
- vi). Ship-to or delivered-to contact name

Any terms included on Supplier's invoice shall have no force or effect and will in no way bind VITA or any Authorized User.

J. Purchase Payment Terms

Supplier is responsible for the accuracy of its billing information. Supplier agrees not to issue invoices hereunder until items or milestones have met Acceptance criteria. Charges for Products, Software, or Services accepted more than ninety (90) days prior to receipt of a valid invoice may not be paid. Should Supplier repeatedly over bill Authorized User, Authorized User may assess a one percent (1%) charge for the amount over-billed for each month that such over-billing continues.

In the event any Deliverable is shipped without the applicable Documentation, payment shall not be due until the required Documentation is provided.

If there are any disputed items, an Authorized User shall pay all undisputed charges and promptly notify Supplier in writing of any disputed amount. Supplier shall thereupon review its records, and, if it does not concur with the Authorized User, provide the Authorized User with Documentation to support the charge. If such charges remain in dispute, such dispute shall be resolved in accordance with the Dispute Resolution section of this Contract. In the absence of the

Supplier's written evidence identifying the merit of the disputed amounts, Authorized User may not pay the disputed amounts and may consider the matter concerning the specific identified amounts closed. All payment terms are net thirty (30) days after Acceptance.

For state agencies the applicable laws include §§ 2.2-510 and 2.2-514 of the Code of Virginia. In all cases the selection and approval of counsel and approval of any settlement shall be satisfactory to the Commonwealth.

In the event that a Claim is commenced against any of Commonwealth's Indemnified Parties alleging that use of the Products, Software, or that the provision of Services under this Contract infringes any third party's intellectual property rights and Supplier is of the opinion that the allegations in such Claim in whole or in part are not covered by this indemnification provision, Supplier shall immediately notify VITA and the affected Authorized User(s) in writing, via certified mail, specifying to what extent Supplier believes it is obligated to defend and indemnify under the terms and conditions of this Contract. Supplier shall in such event protect the interests of the Commonwealth's Indemnified Parties and secure a continuance to permit VITA and the affected Authorized User(s) to appear and defend their interests in cooperation with Supplier as is appropriate, including any jurisdictional defenses VITA or the affected Authorized User(s) may have.

In the event of a Claim pursuant to any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Products, Software or Services, and in addition to all other obligations of Supplier in this Section, Supplier shall at its expense, either (a) procure for all Authorized Users the right to continue use of such infringing Products, Software or Services, or any component thereof; or (b) replace or modify such infringing Products, Software or Services, or any component thereof, with non-infringing products or services satisfactory to VITA. And in addition, Supplier shall provide any Authorized User with a comparable temporary replacement Product, Software or Service or reimburse VITA or any Authorized User for the reasonable costs incurred by VITA or such Authorized User in obtaining an alternative product in the event such Authorized User cannot use the affected Solution. If Supplier cannot accomplish any of the foregoing within a reasonable time and at commercially reasonable rates, then Supplier shall accept the return of the infringing component of the Products, Software or Services, along with any other components of any products rendered unusable by any Authorized User as a result of the infringing component, and refund the price paid to Supplier for such components.

Supplier agrees to comply with all provisions of the then-current Commonwealth of Virginia security procedures, published by the Virginia Information Technologies Agency (VITA) and which may be found at (<http://www.vita.virginia.gov/library/default.aspx?id=537#securityPSGs>) or a successor URL(s), as are pertinent to Supplier's operation. Supplier further agrees to comply with all provisions of the relevant Authorized User's then-current security procedures as are pertinent to Supplier's operation and which have been supplied to Supplier by such Authorized User. Supplier shall also comply with all applicable federal, state and local laws and regulations. For any individual Authorized User location, security procedures may include but not be limited to: background checks, records verification, photographing, and fingerprinting of Supplier's employees or agents. Supplier may, at any time, be required to execute and complete, for each individual Supplier employee or agent, additional forms which may include non-disclosure agreements to be signed by Supplier's employees or agents acknowledging that all Authorized User information with which such employees and agents come into contact while at the Authorized User site is confidential and proprietary. Any unauthorized release of proprietary or Personal information by the Supplier or an employee or agent of Supplier shall constitute a breach of its obligations under this Section and the Contract.

Supplier shall immediately notify VITA and Authorized User, if applicable, of any Breach of Unencrypted and Unredacted Personal Information, as those terms are defined in Virginia Code 18.2-186.6, and other personal identifying information, such as insurance data or date of birth, provided by VITA or Authorized User to Supplier. Supplier shall provide VITA the opportunity to participate in the investigation of the Breach and to exercise control over reporting the unauthorized disclosure, to the extent permitted by law.

Supplier shall indemnify, defend, and hold the Commonwealth, VITA, the Authorized User, their officers, directors, employees and agents harmless from and against any and all fines, penalties (whether criminal or civil), judgments, damages and assessments, including reasonable expenses suffered by, accrued against, or charged to or recoverable from the Commonwealth, VITA, the Authorized User, their officers, directors, agents or employees, on account of the failure of Supplier to perform its obligations pursuant this Section.

16. IMPORT/EXPORT

In addition to compliance by Supplier with all export laws and regulations, VITA requires that any data deemed "restricted" or "sensitive" by either federal or state authorities, must only be collected, developed, analyzed, or otherwise used or obtained by persons or entities working within the boundaries of the United States.

17. BANKRUPTCY

If Supplier becomes insolvent, takes any step leading to its cessation as a going concern, fails to pay its debts as they become due, or ceases business operations continuously for longer than fifteen (15) business days, then VITA may immediately terminate this Contract, and an Authorized User may terminate an order, on notice to Supplier unless Supplier immediately gives VITA or such Authorized User adequate assurance of the future performance of this Contract or the applicable order. If bankruptcy proceedings are commenced with respect to Supplier, and if this Contract has not otherwise terminated, then VITA may suspend all further performance of this Contract until Supplier

assumes this Contract and provides adequate assurance of performance thereof or rejects this Contract pursuant to Section 365 of the Bankruptcy Code or any similar or successor provision, it being agreed by VITA and Supplier that this is an executory contract. Any such suspension of further performance by VITA or Authorized User pending Supplier's assumption or rejection shall not be a breach of this Contract, and shall not affect the rights of VITA or any Authorized User to pursue or enforce any of its rights under this Contract or otherwise.

18. HARDWARE-SPECIFIC PROVISIONS

A. Delivery, Installation and Acceptance

1. Delivery Procedure

Supplier shall deliver all Product(s) F.O.B. Destination with such destination being the "ship to" address specified in the applicable order. If there is any special rigging required for final Product placement, Authorized User shall bear those costs. For orders for which Supplier is to provide installation of the Product(s), Supplier shall bear all risk of loss of or damage to the Product(s) until Receipt by the Authorized User. For orders for which Supplier is not to provide installation of the Product(s), Supplier shall bear all risk of loss or damage to the Product(s) until Receipt. In all cases, Supplier shall arrange and pay for all transportation and insurance sufficient to fully protect the Product(s) while in transit. Each shipment shall include a packing slip indicating this Contract number, the Authorized User's order number, the part number, a description of the Product(s) shipped and the quantity shipped. Each package in any shipment shall be numbered, shall have stenciled on one end and one side a description of the quantity of Product(s) contained therein by part number and description, and shall conspicuously display the number of the package in that shipment which contains the packing slip. If required by the Authorized User, Supplier shall bar code all packages shipped. If any loss to, or damage of, the Product occurs prior to Acceptance by the Authorized User, Supplier shall immediately provide a replacement item. Title to direct purchased Product(s), excluding System Software, shall pass upon Acceptance.

Supplier shall make available all appropriate and/or related user documentation at the time of delivery of the first unit of each different Product type. Product(s) delivered without the appropriate and required documentation shall be considered "shipped short" until the applicable documentation has been received.

2. Late Delivery

Supplier hereby acknowledges and agrees that failure to deliver the Product(s) ordered in strict accordance with the agreed upon delivery schedule determined in accordance with this Contract or an approved order issued by Authorized User shall constitute a material breach of this Contract resulting in damages to the ordering Authorized User, the total sum of which would be impracticable or difficult to ascertain as of the Effective Date of this Contract or the approved order issued by the Authorized User. As an estimate of the minimum amount of damages such Authorized User will suffer, Supplier agrees to credit the Authorized User an amount equal to one-half of one percent (.05%) of the total purchase price, or an agreed upon percent of the order's total purchase price that is specified in the approved order, for each day that the Product(s) is/are undelivered or nonoperational for a period of thirty days (30) following the agreed upon delivery date. If the delay lasts longer than thirty (30) days, the Authorized User may immediately cancel the order and collect as late delivery damages fifteen percent (15%) of the total purchase price. Any credit due the Authorized User will be applied to the next periodic invoice.

In addition, in the event the Supplier fails for any reason to deliver within thirty-five days (35) of the agreed upon delivery date set forth in the order/schedule, the ordering Authorized User, at its own discretion, may give Supplier oral or written notice of breach. Once notice by such Authorized User is sent or given, the Authorized User may immediately procure the undelivered items, or items similar thereto, from another source. Once the Authorized User has effected a purchase from an alternate source (in accordance with the Virginia Public Procurement Act, §§ 2.2-4300 et seq. of the Code of Virginia), the Authorized User may charge-back Supplier, in which case Supplier agrees to reimburse the Authorized User for

any difference in cost between the original contract price and the Authorized User's cost to cover from the alternate source. In no event shall any Authorized User be held to pay Supplier any costs incurred by Supplier, including but not limited to ordering, marketing, manufacturing, or delivering the item(s) which are subject of such Authorized User's notice of breach. Notwithstanding the foregoing, the Authorized User reserves any and all other remedies available at law or in equity.

3. Product Trade-in and Upgrade

(To be proposed by supplier without conflict to subsection 6.G, Orders that Include Trade-in Products)

4. Product Installation

Only if Authorized User's order or SOW includes Supplier's installation services, Supplier is not responsible for initial installation of Product. Installation shall include: unpacking, removal of all shipping/packing materials, positioning, connecting to internal utility services, testing, related necessary services to allow for Acceptance by the Authorized User.

All Product installations shall comply with building and facilities standards established by the ordering Authorized User. If such Authorized User installs the Product, Supplier shall provide all reasonably necessary telephone assistance at no charge.

5. Product Acceptance

Product(s) shall be deemed accepted when the ordering Authorized User determines that such Product(s) successfully operates in accordance with the Requirements. Such Authorized User shall commence Acceptance testing within five (5) days, or within such other period as set forth in the applicable order, after receipt/installation of the Product(s). Acceptance testing will be no longer than five (5) days, or such longer period as may be agreed in writing between Authorized User and Supplier. Supplier agrees to provide to the Authorized User such assistance and advice as the Authorized User may reasonably require, at no additional cost, during such Acceptance testing, other than pre-approved travel expenses incurred which are reimbursable by the Authorized User at the then-current per diem amounts as published by the Virginia Department of Accounts. Any such travel expenses must be pre-approved by the Authorized User and shall be reimbursable by such Authorized User at the then-current per diem amounts as published by the Virginia Department of Accounts (<http://www.doa.virginia.gov>, or a successor URL(s)). Authorized User shall provide to Supplier written notice of Acceptance upon successful Acceptance testing. Should Authorized User fail to provide Supplier written notice of successful or unsuccessful Acceptance testing within five (5) days following the Acceptance testing period, the Product(s) shall be deemed Accepted.

6. Cure Period

Supplier shall correct any non-conformities identified during Acceptance testing and re-submit such previously non-conforming Product(s) for re-testing within seven (7) days of written notice of non-conformance, or as otherwise agreed between the Authorized User and Supplier in the applicable order. Should Supplier fail to cure the non-conformity or deliver Product(s) which meets the Requirements, such Authorized User may, in its sole discretion: (i) reject the Product(s) in its entirety and recover amounts previously paid hereunder; (ii) issue a "partial Acceptance" of the Product(s) with an equitable adjustment in the price to account for such deficiency; or (iii) conditionally accept the applicable Product(s) while reserving its right to revoke Acceptance if timely correction is not forthcoming. Failure of a Product(s) to meet, in all material respects, the Requirements after the second set of acceptance tests may constitute a default by Supplier. In the event of such default, the Authorized User may, at its sole discretion, terminate its order, in whole or in part, for the Product(s) and any Services to be provided thereunder by Supplier.

7. Product Discontinuation

During the term of this Contract, if any Product(s) listed on Exhibit D of this Contract is discontinued and Supplier does not offer a substitute acceptable to VITA, Supplier shall, for each Authorized User who purchased the discontinued Product(s), continue to meet such

Authorized User's needs for the discontinued Product(s) for not less than twelve (12) months. Additionally, Supplier shall make available to the Authorized User maintenance parts for discontinued Product(s) for five (5) years from the date of such discontinuation. In every event, Supplier will provide any Authorized User with 120 days advance written notice of its intent to discontinue any Product type previously ordered by such Authorized User.

In addition, Supplier agrees to sell Product(s), as set forth in Exhibit D of this Contract, to any Authorized User's third-party maintenance provider under contract with such Authorized User, at the prices as set forth in Exhibit D of this Contract, for the sole purpose of supporting the Authorized User's installed inventory. Supplier shall install all Safety Changes and Performance Changes within thirty (30) days after issuance of the engineering change order by the Product's manufacturer. If such engineering changes affect Product processing or operating capability, they shall be scheduled at the Authorized User's request as to time and at the Authorized User's option. The Authorized User shall have the option to waive all other engineering changes planned by Supplier on the Product(s) delivered or planned for delivery to the Authorized User.

Supplier to such Authorized User. Thereafter, Supplier shall advise such Authorized User of its intent to discontinue either certain parts or maintenance services for any Product type ordered by the Authorized User.

Supplier shall notify the Authorized User one (1) year prior to the effective date of any such discontinuance, and shall provide to the Authorized User the opportunity to purchase spare parts in a quantity adequate to support its installed base. Should Supplier advise the Authorized User of its intent to discontinue certain parts for any Product type ordered by the Authorized User, the Authorized User has the option to request and Supplier has the obligation to provide, all documentation, including source code, required to ensure ongoing support, including full maintenance and repair by the Authorized User or its designated third-party maintenance provider within thirty (30) days prior to the discontinuance date or to replace the unsupported Product with a supported Product at a cost to the Authorized User of no more than the cost delta between the supported Product and the unsupported Product.

5. Inventory Record

Supplier shall maintain, at no additional cost, a record of all units of Product covered under warranty/maintenance by type, quantity and location, including the end date for each unit's Warranty Period or maintenance term ("Inventory Record"). Product quantities and types may vary as Product is added or deleted from coverage, and Authorized User shall notify Supplier in writing of any Product relocated, added, or removed from service. Upon such notification, Supplier shall amend the Inventory Record to reflect such relocation, addition, or deletion of Product(s). Supplier shall provide, at no additional cost, a copy of the most current Inventory Record to any Authorized User upon request.

The Product Service Record shall record the following for such unit of Product: (i) installation/ relocation/ removal/ modifications; (ii) remedial actions; (iii) preventive actions; (iv) any additional services not covered by warranty or maintenance. Upon request by the Authorized User, Supplier shall provide, at no additional cost, a copy of the Product Service Record.

Supplier warrants that each Product provided hereunder is, and shall continue to be, data, program, and upward compatible with any other Product available or to be available from Supplier within the same family of Products so that data files created for each Product can be utilized without adaptation of the other Products, and so that programs written for the Product shall operate on the next generation of Products, and not result in the need for alteration, emulation, or other loss of efficiency for a period of not less than ten (10) years.

5. Product(s)

Supplier warrants the following with respect to the Product(s):

- i). Product(s) pursuant to a particular Request for Proposal (RFP), quote, or Request for Quote (RFQ), shall be fit for the particular purposes specified by VITA in the RFP and in this Contract and, if applicable, by the authorized User requesting such quote or issuing such RFQ, and Supplier is possessed of superior knowledge with respect to the Product(s) and is aware that Authorized Users are relying on Supplier's skill and judgment in providing the Product(s);

If the Product fails to satisfy (i) the MTBF standards or (ii) the performance standards for that Product type as set forth in this Contract, Supplier shall pay for any and all additional repairs, parts and labor required to bring the Product to the appropriate level set forth in Exhibit E of this Contract, including the cost to retrofit the entire installed Product base. If Supplier fails to so modify or replace the Product so as to achieve the MTBF standards within thirty (30) days, the Authorized User may, at its option, return such Product and receive a full refund during the Product warranty period, or if the warranty has expired, receive a straight line pro-rated refund, by year thereafter for the five (5) year period following installation of the Product.

7. Warranty Services

During the warranty period as described for each category for each segment in Exhibit D, or as specified in the applicable order, Supplier warrants that the Product(s) shall meet or exceed the Requirements. Notwithstanding anything to the contrary in this Contract or in any Exhibit hereto, VITA and any Authorized User retain all rights and remedies available at law or in equity.

D. Scope of Use

Any Authorized User may use the Product(s), and any software licensed in connection with such Product(s), on a worldwide basis for the benefit of itself and its agents. Supplier further authorizes use of the Product(s) by third parties who are under contract with an Authorized User to provide outsourcing services, including but not limited to providing application development services, data processing or facilities or infrastructure management services for the benefit of such Authorized User. For Products to which the Commonwealth or an Authorized User takes title, and any System Software which is integral to such Products, under the terms of this Contract, there are no restrictions on subsequent resale or distribution thereof by the Commonwealth or such Authorized User.

E. Software License

If Authorized User is a state agency, board, commission, or other quasi-political entity of the Commonwealth of Virginia or other body referenced in Title 2.2 of the Code of Virginia, the license shall be held by the Commonwealth. If Authorized User is a locality, municipality, school, school system, college, university, local board, local commission, or local quasi-political entity, the license shall be held by that public body.

VITA will consider Supplier-provided language ONLY when Supplier is a reseller of the Software and the software publisher requires and End User License Agreement (EULA). In such case, Supplier is advised that VITA will require an addendum to such EULA to address terms and conditions in such EULA with which VITA, as a government entity, by law or by policy, cannot agree.

1. License Grant

Supplier hereby grants to the Commonwealth and all Authorized Users a fully paid, perpetual, worldwide, nonexclusive, transferable, irrevocable license to use, and to permit any agent of the Commonwealth or such Authorized User to use, System Software for each Product. Each license granted under this Contract authorizes the Commonwealth or such Authorized User and any agent of the Commonwealth or such Authorized User to use Supplier-licensed programs in machine readable form on any system without limitation. It is expressly understood that “perpetual” license rights shall commence upon delivery of the System Software to the Authorized User and shall exist in perpetuity unless otherwise terminated in accordance with the applicable provisions of this Contract. The System Software is the property of Supplier, and no title or ownership of the System Software or any of its parts, including documentation, is transferred to the Commonwealth or the Authorized User.

2. Limitations on Copying and Disclosure

The Commonwealth, an Authorized User, or any agent of the Commonwealth or such Authorized User may make a reasonable number of backup, archival, and disaster recovery copies of the System Software. Any copies of the software or documentation made by the Commonwealth or an Authorized User pursuant to this Contract shall bear all copyright, trademark and other proprietary notices included therein by Supplier and, except as expressly authorized, neither the Commonwealth nor the Authorized User shall distribute same to any third-party without Supplier's prior written consent. The Commonwealth may distribute the System Software and documentation if such distribution is incidental to transfer of Product to which it has taken title. Neither the Commonwealth nor any Authorized User may resell the System Software except if such resale is incidental to the resale of Product(s) to which the Commonwealth or such Authorized User has taken title.

3. Business Continuity and Recovery

Authorized User or its Agent may run the System Software concurrently at a back-up site. In the event that all of an Authorized User's copies of the System Software, including all backup copies, are destroyed, irreparably damaged or otherwise lost due to fire, explosion, sabotage, flood or other natural disaster not occasioned by the fault of such Authorized User, Supplier shall provide to the Authorized User, at no additional cost, a replacement copy of the System Software and documentation; provided however, that nothing contained in this Section shall obligate Supplier to replace or assist in the recovery of data lost concurrent with the loss of the System Software.

Supplier shall provide System Software for Product. Such System Software is licensed directly from the Software Publisher through the end user licensing agreement (EULA), as amended, attached hereto as Exhibit C of this Contract.

4. Authorized User Compliance

Compliance with the terms and conditions of any license granted pursuant to this Contract is solely the responsibility of the Authorized User which purchased such license and not the responsibility of VITA, unless VITA purchased such license on its own behalf.

5. No Subsequent, Unilateral Modification of Terms by Supplier (“Shrink Wrap”)

Notwithstanding any other provision or other unilateral license terms which may be issued by Supplier after the Effective Date of this Contract, and irrespective of whether any such provisions have been proposed prior to or after the issuance of an order for System Software licensed under this Contract, or the fact that such other agreement may be affixed to or accompany System Software upon delivery (“shrink wrap”), the terms and conditions set forth herein shall supersede and govern licensing and delivery of all products and services hereunder.

F. Supplier-Sponsored Product Promotions

The Supplier, at its discretion, may sponsor Product and Service promotions during the Contract term or any extensions thereof. Should Supplier choose to sponsor such a promotion, Supplier shall provide in writing to VITA, at least five (5) days prior to the promotion, the following information: (i) the dates of the promotion or the duration of the promotion to include the

commencement date and the ending date; (ii) the exact Products or Services covered in the promotion; and (iii) the pricing or percentage discount offered during the promotion. VITA shall communicate to Supplier in writing its agreement to the promotion.

The Supplier shall be in breach of the Contract in the absence of a written agreement regarding the promotion. In any event wherein the Supplier proposes prices that are different than the Contract prices to any Authorized User without first obtaining VITA's agreement, the Supplier shall be in breach of the Contract, and VITA shall have all remedies available under Contract and law and in equity.

All Supplier-sponsored Product or Service promotions shall be available to all Authorized Users. Should the Supplier request a promotion that would be limiting, either through product configuration or quantities of Products and Services, VITA, at its sole discretion, may not provide a written agreement. VITA and Supplier agree that promotions shall not target any one Authorized User, or a few Authorized Users.

VITA and Authorized Users, at their discretion, may assist in advertising the promotion. This assistance may consist of advertising space on Authorized User web sites, or other assistance at an Authorized User's discretion.

It is expressly understood that "perpetual" license rights shall commence upon delivery of the Software to the Authorized User and shall exist in perpetuity unless otherwise terminated in accordance with the applicable provisions of this Contract. The Software is the property of Supplier and/or its licensors, and no title or ownership of the Software or any of its parts, including Documentation, shall transfer to the Commonwealth or any Authorized User.
- ii). The Commonwealth and all Authorized Users shall have the right to use, copy, modify, transmit and distribute the Software for their benefit, for government use and purposes, and for the benefit of their Agents, including internal and third-party information processing.
- iii). Reserved.
- iv). The Commonwealth and any Authorized User may allow access to the Software by third party vendors who are under contract with an Authorized User to provide services to or on behalf of such Authorized User, or by other entities as required for conducting the business of government. Access includes loading or executing the Software on behalf of such Authorized User or its Agents.
- v). The license fee includes a test system copy, which consists of the right to use the Software for non-production test purposes, including but not limited to, problem/defect identification, remediation, and resolution, debugging, new version evaluation, Software interface testing, and disaster recovery technique analysis and implementation.
- vi). In the event that all of an Authorized User's copies of the Software, including all backup copies, are destroyed, irreparably damaged or otherwise lost due to fire, explosion, sabotage,

Nothing contained in this Section shall obligate Supplier to replace or assist in the recovery of data lost concurrent with the loss of the Software.
- vii). An Authorized User may make a reasonable number of copies of the Software and Documentation for use in training, support, demonstrations, backup, archiving, disaster recovery and development and may run the Software concurrently at a back-up site for no additional license fees or costs. Software licensed by Software Publisher

Supplier shall provide Software which is licensed directly from the Software Publisher through the end user licensing agreement (EULA), as amended, and attached as Exhibit C of this Contract. If the EULA provides for a "perpetual" license, it is expressly understood that "perpetual" license rights shall commence upon delivery of the Software and shall exist in perpetuity unless otherwise terminated in accordance with the applicable provisions of this Contract.

Nothing contained herein shall be construed to restrict or limit an Authorized User's rights to use any technical data which such Authorized User may already possess or acquire under proper authorization from other sources.

Compliance with the terms and conditions of any license granted pursuant to this Contract is solely the responsibility of the Authorized User which purchased such license and not the responsibility of VITA, unless VITA purchased such license on its own behalf.

2. License Type

All licenses granted, regardless of the type, include all uses set forth above. License type may vary by Software product and shall be set forth in Exhibit D of this Contract and identified on any order issued pursuant to this Contract.

Designated CPU License

The license(s) granted under this Section authorizes use of the Software only on the number of CPU(s) listed on Exhibit D of this Contract or in an order placed by an Authorized User. An Authorized User may transfer the Software to a different machine to the extent that the license price for such new CPU(s) is equivalent to the CPU(s) initially licensed. If the licensed CPU is inoperative because of (i) malfunction, (ii) performance of maintenance, or (iii) modification to the licensed CPU, or (iv) because the Software is being transferred to another CPU, such Authorized User may use the Software on a replacement CPU as long as required by the mentioned conditions.

Concurrent Use license

The license(s) granted under this Section authorizes use of the Software on any system based on the total number of Concurrent Users. The number of "Concurrent Users" is defined as the maximum number of concurrent Sessions connected at a given point in time. A "Session" is defined as an active user executing the Software. The Authorized User shall specify an initial number of Concurrent User licenses in its initial order pursuant to this Contract. An Authorized User may increase the number of Concurrent User licenses upon issuing an order for additional Concurrent User licenses. The license fee for additional Concurrent User licenses and payment of the license fee is set forth on Exhibit D of this Contract.

Site License

The license(s) granted under this Section authorizes use of the Software on any system located at the "Site" as such term is defined in the applicable order.

Project Specific License

The Project Specific License authorizes use of the Software on any CPU, on any system, and by any user, without limitation as to quantity or location for Project _____.

Enterprise Wide License

The Enterprise Wide License authorizes use of the Software on any CPU, on any system, and by any user within the "Enterprise", as such term is defined in the applicable order, without limitation as to the quantity or location or project.

3. No Subsequent, Unilateral Modification of Terms by Supplier ("Shrink Wrap")

Notwithstanding any other provision or other unilateral license terms which may be issued by Supplier after the Effective Date of this Contract, and irrespective of whether any such provisions have been proposed prior to or after the issuance of an order for Software licensed under this Contract, or the fact that such other agreement may be affixed to or accompany Software upon delivery ("shrink wrap"), the terms and conditions set forth herein shall supersede and govern licensing and delivery of all products and services provided under this Contract.

B. Delivery and Installation

1. Scheduling

Supplier shall deliver Software and perform the Services according to the delivery dates set forth on the appropriate order or SOW.

2. Installation of Software

a) Supplier Installation of Software

Supplier is required to install the Software in accordance with the installation schedule set forth on the order. Supplier shall conduct its standard appropriate diagnostic evaluation at the Authorized User's user site to determine that the Software is properly installed and fully ready for productive use, and shall supply the Authorized User with a copy of the results of the diagnostic evaluation promptly after completion of installation.

Supplier agrees that failure to install the Software in accordance with the delivery schedule in the applicable order shall constitute a material breach of this Contract resulting in damages to the Authorized User. As an estimate of the damages such Authorized User shall suffer, Supplier agrees to credit such Authorized User an amount equal to two percent (2%) of the total license fee, for each day of undelivered or delivered but non-operational Software for a period of thirty (30) days following the agreed upon delivery date. If the delay lasts longer than thirty (30) days, such Authorized User may immediately cancel the order and collect the damages for that period of late delivery. Such Authorized User reserves any and all other remedies available at law or in equity for delays lasting longer than thirty (30) days or for non-delivery.

b) Authorized User Installation of Software

If an Authorized User elects to install the Software itself or to contract with a third party to perform installation services, the Software shall be deemed to be installed when all programs, program libraries and user interfaces are copied to and initialized on the appropriate equipment as executable by having the ordering Authorized User, its Agent, or its third party installer invoke the primary function of each major component of the Software or when Acceptance criteria have been met. Authorized User shall provide to Supplier written notice of Acceptance upon completion of installation and successful Acceptance testing.

3. Documentation of Software Configuration

If the Services include configuration of Software by Supplier, Supplier shall provide to the appropriate Authorized User documentation containing a description of the configuration. Such documentation shall be sufficiently detailed such that any appropriately trained employee or Agent of any Authorized User may reconstruct the configuration of the Software.

C. Acceptance and Cure Period

1. Acceptance

Software shall be deemed accepted when the Authorized User determines that such Software successfully operates in accordance with the Requirements. Such Authorized User agrees to commence Acceptance testing within five (5) business days after receipt of the Software, or within such other period as set forth in the applicable order, after receipt of the Software. Acceptance testing will be no longer than ten (10) business days, or such longer period as may be agreed in writing between Authorized User and Supplier, for the first instance of each product type set forth in Exhibit D of this Contract. Supplier agrees to provide to such Authorized User such assistance and advice as such Authorized User may reasonably require, at no additional cost, during such Acceptance testing, other than travel expenses pre-approved by the Authorized User which will be reimbursable by such Authorized User at the then-current per diem amounts as published by the Virginia Department of Accounts (<http://www.doa.virginia.gov/>, or a successor URL(s)). Authorized User shall provide to Supplier written notice of Acceptance upon completion of successful Acceptance testing. Should Authorized User fail to provide Supplier written notice of successful or unsuccessful Acceptance testing within five (5) days following the Acceptance testing period, the Software shall be deemed Accepted.

2. Cure Period

Supplier shall correct any non-conformities identified during Acceptance testing and re-submit such non-conforming Software for re-testing within seven (7) days of the appropriate Authorized User's written notice of non-conformance, or as otherwise agreed between such Authorized User and Supplier in the applicable order. Should Supplier fail to cure the non-conformity or deliver Software which meets the Requirements, such Authorized User may, in its sole discretion: (i) reject the Software in its entirety and recover amounts previously paid hereunder; (ii) issue a "partial Acceptance" of the Software with an equitable adjustment in the price to account for such deficiency; or (iii) conditionally accept the applicable Software while reserving its right to revoke Acceptance if timely correction is not forthcoming. Failure of the Software to meet, in all material respects, the Requirements after the second set of acceptance tests may constitute a default by Supplier. In the event of such default, the Authorized User may, at its sole discretion, terminate its order, in whole or in part, for the Software and Services to be provided thereunder by Supplier.

D. Warranty Services

At any time during the Warranty Period of twelve (12) months after Acceptance, Supplier shall provide the following warranty services (including unlimited telephonic support and all necessary travel and labor) without additional charge to any Authorized User to maintain the Software in accordance with the Requirements:

1. Known Defects

Promptly notify all Authorized Users of any defects or malfunctions in the Software or Documentation of which it learns from any source other than an Authorized User and provide to all Authorized Users a correction of any such defects or malfunctions, or a work around until a correction is available, within sixty (60) days of Supplier's knowledge of such defect or malfunction.

2. Coverage

24 hours per day, 7 days per week and 365 days per year (24x7x365), including Commonwealth Holidays, Supplier will provide to any Authorized Users all reasonably necessary telephone or written consultation requested by such Authorized Users in connection with use, problems and operation of the Software.

3. Service Levels

Respond to problems with the Software identified by an Authorized User in no more than one (1) hour after notification. Resolve all problems according to the following:

- i). Priority 1 (Software inoperable) within six (6) hours
- ii). Priority 2 (certain processing interrupted or malfunctioning but Software able to process) within twenty four (24) hours
- iii). Priority 3 (minor intermittent malfunctioning, Software able to process data) within three (3) days.

The level of severity (e.g., 1, 2, 3), shall be defined by such Authorized User.

4. Remedies

If Supplier is unable to make the Software conform, in all material respects, to the Requirements within thirty (30) days following written notification by an Authorized User, Supplier shall, at such Authorized User's request, cancel the license to such Software, accept return of such Software and Documentation, if applicable, rendered unusable, and return all monies paid by such Authorized User for the non-conforming Software and Documentation and such other related Service(s) rendered unusable.

Supplier agrees that failure to make the Software conform, in all material respects, to the Requirements within ten (10) days following notification by an Authorized User shall constitute a material breach of this Contract resulting in damages to the Authorized User. As an estimate of the damages such Authorized User shall suffer, Supplier agrees to credit such Authorized User an amount equal to two percent (2%) of the total license fee, for each day that the Software is non-conforming, for a period of up to thirty (30) days. If after such thirty (30) day period Supplier is unable to make the Software conform, Supplier shall, at such Authorized User's request, cancel the license to such Software, accept return of the Software and Documentation, if applicable, and return all monies paid for the non-conforming Software and Documentation. Any monetary remedies shall be paid to the Authorized User on a quarterly basis. Exhibit E of this Contract defines coverage periods, response times, and restore times.

1. Ordering

An Authorized User may order Maintenance Services for any Software at any time during the term of this Contract, irrespective of whether such Software is covered under warranty or maintenance at the time the order is issued to Supplier. Each order shall identify:

4. Software Evolution

Should Supplier or Software Publisher merge or splinter the Software previously provided to any Authorized User, such action on the part of Supplier or Software Publisher shall not in any way result in any Authorized User being charged additional license or support fees in order to receive enhancements, releases, upgrade or support for the Software.

If Supplier or Software Publisher reduces or replaces functionality contained in a licensed Software product and provides the same or substantially similar functionality as or within a separate or renamed Software product, then the Commonwealth or the Authorized User shall be entitled to license such Software product at no additional license or maintenance fee, and subject to the terms and conditions herein.

If Supplier or Software Publisher releases an option, future Software product or other release that has substantially the same functionality as the Software products provided under this Contract, and Software Publisher and/or Supplier ceases to provide maintenance for the older Software product, then Supplier shall offer the Commonwealth or the Authorized User the option to exchange licenses for such replacement Software product or function at no additional charge.

1. Nature of Services and Engagement

This Contract is optional use and non-exclusive and all Authorized Users may, at their sole discretion, receive benefits from third party suppliers of services similar to, or in competition with, services provided by Supplier.

By operation of this Contract, any order or SOW resulting in a commitment of any individual employee or contractor of Supplier, whether employed by Supplier or a contractor or subcontractor of Supplier, for more than one thousand (1,000) hours of work during any six (6) month period or of any such individual employee or contractor for more than eight (8) months in any twelve (12) month period shall be voidable by VITA, in its sole discretion. If an SOW is voided by VITA, such SOW shall no longer be binding on either Party and all obligations with respect to such SOW shall expire.

2. Acceptance

Service(s) shall be deemed accepted when the Authorized User determines that such Service(s) meets the Requirements set forth in the applicable SOW. If applicable, Supplier shall be responsible for ensuring that any individual Deliverable functions properly with any other Deliverable provided pursuant to the SOW. Should a previously Accepted Deliverable require further modification in order to work properly with any other Deliverable, Supplier shall be responsible for all costs associated with such modification.

Authorized User shall commence Acceptance testing within five (5) business days, or within such other period as set forth in the applicable SOW, after receipt of the Service. Acceptance testing will be no longer than ten (10) business days, or such longer period as may be agreed in writing between Authorized User and Supplier, for each Deliverable or for the first instance of each Service type set forth in Exhibit D of this Contract. Supplier agrees to provide to the Authorized User such assistance and advice as the Authorized User may reasonably require, at no additional cost, during such Acceptance testing. Should Supplier fail to cure the non-conformity or deliver a Service which meets the Requirements, the Authorized User may, in

Failure of a Service to meet, in all material respects, the Requirements after the second set of acceptance tests may constitute a default by Supplier.
