Supplier agrees to indemnify, defend and hold harmless the Commonwealth, VITA, their officers, directors, agents and employees (collectively, "Commonwealth's Indemnified Parties") from and against any and all losses, damages claims, demands, proceedings, suits and actions, including any related liabilities, obligations, losses, damages, assessments, fines, penalties (whether criminal or civil), judgments, settlements, expenses (including attorneys' and accountants' fees and disbursements) and costs (each, a "Claim" and collectively, "Claims"), incurred by, borne by or asserted against any of Commonwealth's Indemnified Parties to the extent such Claims in any way relate to, arise out of or result from: (i) any intentional or willful misconduct or negligence of any employee, agent, or subcontractor of Supplier, (ii) any act or omission of any employee, agent, or subcontractor of Supplier, (iii) breach of any representation, warranty or covenant of Supplier contained herein, (iv) any defect in the Services provided by Supplier, or (v) any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Services. Selection and approval of counsel and approval of any settlement shall be accomplished in accordance with all applicable laws, rules and regulations. For state agencies the applicable laws include §§ 2.2-510 and 2.2-514 of the Code of Virginia. In all cases the selection and approval of counsel and approval of any settlement shall be satisfactory to the Commonwealth.

In the event that a Claim is commenced against any of Commonwealth's Indemnified Parties alleging that the provision of Services under this Contract infringes any third party's intellectual property rights and Supplier is of the opinion that the allegations in such Claim in whole or in part are not covered by this indemnification provision, Supplier shall immediately notify VITA in writing, via certified mail, specifying to what extent Supplier believes it is obligated to defend and indemnify under the terms and conditions of this Contract. Supplier shall in such event protect the interests of the Commonwealth's Indemnified Parties and secure a continuance to permit VITA to appear and defend their interests in cooperation with Supplier as is appropriate, including any jurisdictional defenses VITA may have.

In the event of a Claim pursuant to any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Services, and in addition to all other obligations of Supplier in this Section, Supplier shall at its expense, either (a) procure for VITA the right to continue use of such infringing Services, or any component thereof; or (b) replace or modify such infringing Services, or any component thereof, with non-infringing services satisfactory to VITA. And in addition, Supplier shall provide VITA with comparable temporary replacement services, or reimburse VITA for the reasonable costs incurred by VITA in obtaining alternative services in the event VITA cannot benefit from the affected Services. If Supplier cannot accomplish any of the foregoing within a reasonable time and at commercially reasonable rates, then Supplier shall accept the return of the infringing component of the Services, along with any other components rendered unusable by VITA as a result of the infringing component, and refund the price paid to Supplier for such components.

### **B. Liability**

Except for liability with respect to (i) any intentional or willful misconduct or negligence of any employee, agent, or subcontractor of Supplier, (ii) any act or omission of any employee, agent, or subcontractor of Supplier, (iii) claims for bodily injury, including death, and real and tangible

property damage, (iv) Supplier's indemnification obligations, (v) Supplier's confidentiality obligations, and (vi) Supplier's security compliance obligations, Supplier's liability shall be limited to twice the aggregate value of the Services provided under this Contract. Supplier agrees that it is fully responsible for all acts and omissions of its employees, agents, and subcontractors, including their gross negligence or willful misconduct.

FOR ALL OTHER CONTRACTUAL CLAIMS, IN NO EVENT WILL ANY PARTY BE LIABLE TO ANY OTHER PARTY FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, INCLUDING (WITHOUT LIMITATION) LOSS OF PROFIT, INCOME OR SAVINGS, EVEN IF ADVISED OF THE POSSIBILITY THEREOF, EXCEPT WHEN SUCH DAMAGES ARE CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE PARTY, ITS EMPLOYEES, AGENTS OR SUBCONTRACTORS.

## **10. SECURITY COMPLIANCE**

Supplier agrees to comply with all provisions of the then-current Commonwealth of Virginia security procedures, published by the Virginia Information Technologies Agency (VITA) and which may be found at (<http://www.vita.virginia.gov/library/default.aspx?id=537#securityPSGs>) or a successor URL(s), as are pertinent to Supplier's operation. Supplier shall also comply with all applicable federal, state and local laws and regulations. Security procedures may include but not be limited to: background checks, records verification, photographing, and fingerprinting of Supplier's employees or agents. Supplier may, at any time, be required to execute and complete, for each individual Supplier employee or agent, additional forms which may include non-disclosure agreements to be signed by Supplier's employees or agents acknowledging that all Commonwealth information with which such employees and agents come into contact while at the VITA site is confidential and proprietary. Any unauthorized release of proprietary or Personal information by the Supplier or an employee or agent of Supplier shall constitute a breach of its obligations under this Section and the Contract.

Supplier shall immediately notify VITA of any Breach of Unencrypted and Unredacted Personal Information, as those terms are defined in Virginia Code 18.2-186.6, and other personal identifying information, such as insurance data or date of birth, provided by VITA to Supplier. Supplier shall provide VITA the opportunity to participate in the investigation of the Breach and to exercise control over reporting the unauthorized disclosure, to the extent permitted by law.

Supplier shall indemnify, defend, and hold the Commonwealth, VITA, their officers, directors, employees and agents harmless from and against any and all fines, penalties (whether criminal or civil), judgments, damages and assessments, including reasonable expenses suffered by, accrued against, or charged to or recoverable from the Commonwealth, VITA, their officers, directors, agents or employees, on account of the failure of Supplier to perform its obligations pursuant this Section.

## **11. BANKRUPTCY**

If Supplier becomes insolvent, takes any step leading to its cessation as a going concern, fails to pay its debts as they become due, or ceases business operations continuously for longer than fifteen (15) business days, then VITA may immediately terminate this Contract or any order issued hereunder on notice to Supplier unless Supplier immediately gives VITA adequate assurance of the future performance of this Contract or the applicable order. If bankruptcy proceedings are commenced with respect to Supplier, and if this Contract has not otherwise terminated, then VITA may suspend all further performance of this Contract until Supplier assumes this Contract and provides adequate assurance of performance thereof or rejects this Contract pursuant to Section 365 of the Bankruptcy Code or any similar or successor provision, it being agreed by the VITA and Supplier that this is an executory contract. Any such suspension of further performance by VITA pending Supplier's assumption or rejection shall not be a breach of this Contract, and shall not affect VITA's right to pursue or enforce any of its rights under this Contract or otherwise.

## 12. IMPORT/EXPORT

In addition to compliance by Supplier with all export laws and regulations, VITA requires that any data deemed "restricted" or "sensitive" by either federal or state authorities, must only be collected, developed, analyzed, or otherwise used or obtained by persons or entities working within the boundaries of the United States.

## EXHIBIT B – SERVICE REQUIREMENTS

### A. Service Commencement Date

The Supplier shall begin delivery of Services in accordance with the Installation and Service Delivery Intervals sections herein. VITA may delay the Service commencement date by notifying the Supplier at least three (3) days before the scheduled Service commencement date.

VITA requires that Supplier provide delivery equal to or better than that provided its commercial and retail customers. Failure to comply with this provision may be considered grounds for termination of this Contract.

### B. Installation

Unless otherwise authorized in writing by VITA, Supplier shall not, in performing installation Services, interfere with the current operational telephone system and/or telecommunications cabling system of the public body which is the recipient of Supplier's Services in a manner that causes operational outages. Notwithstanding the foregoing, in the event that temporary modifications to the existing telephone and/or cabling systems become necessary to complete the installation of the new service, the Supplier shall notify the on-site point of contact for the public body which is the recipient of Supplier's Services of such need and shall schedule a mutually agreeable time for such modifications to be completed.

### C. Service Delivery Intervals

Once initial installation Services have been performed by Supplier and accepted by VITA at the location(s) specified on the applicable order, VITA may issue a new order for the performance of additional Services. Upon receipt of such order, Supplier shall deliver the Services specified therein, which may include making changes to, or de-installation or disconnecting of, existing services in accordance with the following time frames:

- Delivery of products and services within 72 hours from Supplier's receipt of each Telecommunications Service Order (TSO).

Supplier's failure to comply with the above identified time frames shall be deemed a default, and VITA may, at its sole discretion and in addition to all other available remedies, exercise its rights pursuant to the Term and Termination section of this Contract. Supplier shall not be deemed in default if its failure to comply is a result of the failure of the public body which is to receive Supplier's Services to provide any necessary access or support as identified in the applicable order.

### D. Acceptance

Service(s) shall be deemed accepted when VITA determines that the Services ordered meet the requirements or written criteria set forth herein and/or the applicable order. VITA shall commence Acceptance testing within a reasonable time period after commencement of the Service or within such longer time period mutually agreed upon by VITA and Supplier. VITA shall have seventy-two (72) hours, or such longer period as may be agreed upon between Supplier and VITA in an order, from completion of Services to evaluate and accept the Services ("Evaluation Period"), provided that VITA, in its sole discretion, may accept the same prior to expiration of the Evaluation Period. If the Supplier's Services fail to meet the specifications or requirements of the Contract or the applicable order, or those required by the Supplier's own technical documentation, then VITA may require the Supplier to re-perform such Services.

Supplier agrees to provide to VITA such assistance and advice as VITA may reasonably require, at no additional cost, during such Acceptance testing. Any travel expenses not included in the fixed price of an order must be pre-approved by VITA and shall be reimbursable by VITA at the then-current per diem amounts as published by the Virginia Department of Accounts (<http://www.doa.virginia.gov/>, or a successor URL(s)).

Acceptance shall be effective for the purpose of making payment for Services, as applicable, provided, however, Acceptance by VITA following the evaluation period shall not be conclusive that the Services conform in all respects to the specifications and requirements of the Contract or the applicable order. In the event that nonconformance therewith is discovered by VITA after Acceptance, whether due to a latent defect or otherwise, the Supplier shall take whatever action is necessary, including but not limited to re-performance of Services, to conform the Services to the specifications and requirements of the Contract or the applicable order. The Supplier's failure to do so shall constitute a default on the Contract or the applicable order for which VITA may exercise the remedies provided in the section of the Contract entitled "Termination for Breach or Default," in addition to and not in lieu of any other remedies available at law or in equity.

**E. Cure Period**

Supplier shall correct the non-conformities identified hereunder and shall thereafter commence re-performance of Services, within fifteen (15) days of written notice of non-conformance by VITA, or as otherwise agreed between VITA and Supplier. In the event that Supplier fails to deliver a Service which meets the Requirements, VITA may, in its sole discretion: (i) reject the Service in its entirety and recover amounts previously paid hereunder; (ii) issue a "partial Acceptance" of the Service with an equitable adjustment in the price to account for such deficiency; or (iii) conditionally accept the applicable Service while reserving its right to revoke Acceptance if timely correction is not forthcoming. Rejection will terminate the individual order issued under this Contract, and at the sole option of VITA, the Contract. Notwithstanding the foregoing, VITA shall be entitled to pursue any other remedies that are available to it under this Contract and at law or in equity.

**F. Service Performance Standard**

Following acceptance of the initial installation Services, the Supplier shall continue to provide the same level of Services pursuant to the individual order and shall maintain such Services at the same availability and quality levels for the term of such order.

**G. Service Levels and Remedies**

Supplier shall provide a technical or customer support center for the reporting of technical service problems encountered by VITA or any other public body recipient of Supplier's Services while using the Services. The technical or customer support center shall be staffed and available twenty-four (24) hours per day, seven (7) days a week, including weekends and holidays.

VITA shall be rebated, or credited, a prorated hourly portion of the applicable monthly service charges for each occurrence during which VITA or the public body which is the recipient of Supplier's Services is denied use of the Service due to Service failures and disruptions for four (4) or more hours during any single twenty-four (24) hour period. The rebate shall apply to the initial four (4) hours and all additional hours, or portions thereof, during which VITA or the public body which is the recipient of Supplier's Services is denied access to the Service.

In addition, VITA shall be rebated, or credited, a prorated hourly portion of the applicable monthly service charges for each occurrence during which VITA or the public body which is the recipient of Supplier's Services is denied use of the Service for eight (8) hours or more during any consecutive thirty (30) day period. The rebate shall apply to the initial eight (8) hours and all additional hours, or portions thereof, during which VITA or the public body which is the recipient of Supplier's Services is denied access to the Service.

Credits and rebates are remedies available to VITA in addition to, and not in lieu of, any other remedies available pursuant to this Contract or at law or in equity.

**H. Training and Documentation**

Any training or documentation necessary for public body recipient of the Service to have full benefit of such Service shall be deemed included in the scope of the order unless expressly excluded.

Supplier shall coordinate scheduling for all training directly with the public body recipient of the Service. In conjunction with verbal explanations of the system features and configuration, Supplier shall supply documentation including operations manuals, instruction cards, and other materials as necessary for each Service. Training and training materials shall be provided at no additional cost to VITA or any other public body which is the recipient of Supplier's Services.

**I. Failure to Deliver**

In the event the Supplier fails for any reason, other than a Force Majeure event or the failure of the public body which is to receive Supplier's Services to provide any necessary access or support as identified in the applicable order, to deliver in a timely manner or according to Contract terms the Services set forth in Exhibit A, Pricing, VITA, at its sole discretion, may give Supplier written notice of default. Once notice by VITA is sent or given, VITA may, if allowable pursuant to applicable law and regulation, immediately procure services from another source. Once VITA has effected a purchase from an alternate source, in accordance with the Virginia Public Procurement Act (§2.2-4300 et seq. of the Code of Virginia), the parties agree that VITA may charge-back Supplier, in which case Supplier agrees to reimburse VITA for any difference in cost between the original Contract price and cost to VITA to cover from the alternate source. In no event shall VITA be held to pay Supplier any costs incurred by Supplier, including but not limited to ordering, marketing, manufacturing, or delivering the item(s) which are subject of notice of default by VITA. This remedy is in addition to and not in lieu of any other remedy VITA may have under this Contract or at law or in equity.
