

Prices for Staff Augmentation services determined when competed through Computer Aid's subcontractor network. These prices have a maximum not to exceed rate for each type of job description based on the skill level needed and region within the Commonwealth. More information is available at:

<http://www.vita.virginia.gov/scm/default.aspx?id=11906>

Prices for SOW engagements are based on the proposals submitted for each engagement and will vary depending upon the solution proposed and accepted. Authorized users should remember that prices can be negotiated during the SOW selection process.
