In all cases the selection and approval of counsel and approval of any settlement shall be satisfactory to VITA or the public body against whom the claim has been asserted. And in addition, Supplier shall reimburse VITA or any affected Authorized Users for the reasonable costs incurred by VITA or such Authorized User in obtaining an alternative service in the event such Authorized User cannot use the affected Services.

Except for liability with respect to (i) any intentional or willful misconduct or negligence of any employee, agent, or subcontractor of Supplier, (ii) any act or omission of any employee, agent, or subcontractor of Supplier, (iii) claims for bodily injury, including death, and real and tangible property damage, (iv) Supplier's indemnification obligations, (v) Supplier's confidentiality obligations, and (vi)

Any unauthorized release of proprietary information by the Supplier or an employee or agent of Supplier shall constitute a breach of this Contract.

Supplier shall indemnify, defend, and hold VITA, the Commonwealth, and any other Authorized User recipient of Supplier's Services, their officers, directors, employees and agents harmless from and against any and all fines, penalties (whether criminal or civil), judgments, damages and assessments, including reasonable expenses suffered by, accrued against, or charged to or recoverable from VITA, the Commonwealth, and any other Authorized User recipient of Supplier's Services, their officers, directors, agents or employees, on account of the failure of Supplier to perform its obligations pursuant this Section.

If Supplier becomes insolvent, takes any step leading to its cessation as a going concern, fails to pay its debts as they become due, or ceases business operations continuously for longer than fifteen (15) business days, then VITA may immediately terminate this Contract or any order issued hereunder on notice to Supplier unless Supplier immediately gives VITA adequate assurance of the future performance of this Contract or the applicable order. If bankruptcy proceedings are commenced with respect to Supplier, and if this Contract has not otherwise terminated, then VITA may suspend all further performance of this Contract until Supplier assumes this Contract and provides adequate assurance of performance thereof or rejects this Contract pursuant to Section 365 of the Bankruptcy Code or any similar or successor provision, it being agreed by the VITA and Supplier that this is an

executory contract. Any such suspension of further performance by VITA pending Supplier's assumption or rejection shall not be a breach of this Contract, and shall not affect VITA's right to pursue or enforce any of its rights under this Contract or otherwise.

## 15. GENERAL PROVISIONS

### D. **Compliance with the Federal Lobbying Act**

Supplier shall not, in connection with this Contract, engage in any activity prohibited by 31 USC 1352 (entitled "Limitation on use of appropriated funds to influence certain Federal Contracting and financial transactions") or by the regulations issued from time to time thereunder (together, the "Lobbying Act"), and shall promptly perform all obligations mandated by the Lobbying Act in connection with this Contract, including, without limitation, obtaining and delivering to the Commonwealth all necessary certifications and disclosures.

Supplier is hereby advised that a significant percentage of the funds used to pay Supplier's invoices under this Contract may be federal funds. Under no circumstances shall any provision of this Contract be construed as requiring or requesting the Supplier to influence or attempt to influence any person identified in 31 USC 1352(a)(1) in any matter.

Supplier's signed certification of compliance with the foregoing is incorporated as Exhibit D hereto.

**E. Governing Law**

This Contract shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia without regard to that body of law controlling choice of law. Any and all litigation shall be brought in the circuit courts of the Commonwealth of Virginia. The English language version of this Contract prevails when interpreting this Contract. The United Nations Convention on Contracts for the International Sale of Goods and all other laws and international treaties or conventions relating to the sale of goods are expressly disclaimed. UCITA shall apply to this Contract only to the extent required by §59.1-501.15 of the Code of Virginia.

**F. Dispute Resolution**

In accordance with §2.2-4363 of the Code of Virginia, Contractual claims, whether for money or other relief, shall be submitted in writing to the public body from whom the relief is sought no later than sixty (60) days after final payment; however, written notice of the Supplier's intention to file such claim must be given to such public body at the time of the occurrence or beginning of the work upon which the claim is based. Pendency of claims shall not delay payment of amounts agreed due in the final payment. The relevant public body shall render a final decision in writing within thirty (30) days after its receipt of the Supplier's written claim.

The Supplier may not invoke any available administrative procedure under §2.2-4365 of the Code of Virginia nor institute legal action prior to receipt of the decision of the relevant public body on the claim, unless that public body fails to render its decision within thirty (30) days. The decision of the relevant public body shall be final and conclusive unless the Supplier, within six (6) months of the date of the final decision on the claim, invokes appropriate action under §2.2-4364, Code of Virginia or the administrative procedure authorized by §2.2-4365, Code of Virginia.

Upon request from the public body from whom the relief is sought, Supplier agrees to submit any and all contractual disputes arising from this Contract to such public body's alternative dispute resolution (ADR) procedures, if any. Supplier may invoke such public body's ADR procedures at any time and concurrently with any other statutory remedies prescribed by the Code of Virginia.

In the event of any breach by a public body or a private institution of higher education, Supplier's remedies shall be limited to claims for damages and Prompt Payment Act interest and, if available and warranted, equitable relief, all such claims to be processed pursuant to this Section. In no event shall Supplier's remedies include the right to terminate any license or support services hereunder.

**G. Advertising and Use of Proprietary Marks**

Supplier shall not use the name of VITA or any other Authorized User or refer to VITA or any other Authorized User, directly or indirectly, in any press release or formal advertisement without receiving prior written consent of VITA or such Authorized User. In no event may Supplier use a proprietary mark of VITA or any other Authorized User without receiving the prior written consent of VITA or such Authorized User.

**H. Notices**

ii. To Supplier, if Supplier is incorporated outside the Commonwealth of Virginia, to the Registered Agent registered with the Virginia State Corporation Commission.

Pursuant to Title 13.1 of the Code of Virginia, VITA or Supplier may change its address for notice purposes by giving the other notice of such change in accordance with this Section.

Such written and/or executed contract administration actions may be processed by the assigned VITA and Supplier points of contact for this Contract and may be given in person, via U.S. mail, courier service or electronically.

**I. No Waiver**

Any failure to enforce any terms of this Contract, including termination for breach, shall not constitute a waiver.

**J. Assignment**

This Contract shall be binding upon and shall inure to the benefit of the permitted successors and assigns of VITA and Supplier. Supplier may not assign, subcontract, delegate or otherwise convey this Contract or any of its rights and obligations hereunder, to any entity without the prior written consent of VITA, and any such attempted assignment or subcontracting without consent shall be void. VITA may assign this Contract to any entity, so long as the assignee agrees in writing to be bound by the all the terms and conditions of this Contract.

If any law limits the right of VITA or Supplier to prohibit assignment or nonconsensual assignments, the effective date of the assignment shall be thirty (30) days after the Supplier gives VITA prompt written notice of the assignment, signed by authorized representatives of both the Supplier and the assignee. Any payments made prior to receipt of such notification shall not be covered by this assignment.

**K. Captions**

The captions are for convenience and in no way define, limit or enlarge the scope of this Contract or any of its Sections.

**L. Severability**

Invalidity of any term of this Contract, in whole or in part, shall not affect the validity of any other term. VITA and Supplier further agree that in the event such provision is an essential part of this Contract, they shall immediately begin negotiations for a suitable replacement provision.

**M. Survival**

The provisions of this Contract regarding Warranty, Confidentiality, and Liability and Indemnification, and the General Provisions shall survive the expiration or termination of this Contract.

Performance of an order issued during the term of this Contract for E-rate Eligible Services for which an Eligible Entity has applied for funding shall, at the Eligible Entity's request, survive the expiration of the term of this Contract, in which case all terms and conditions required for the operation of such order shall remain in full force and effect until the completion of the E-rate funding year for which such funding has been requested.

Performance of an order issued during the term of this Contract for a three year service term may survive the expiration of the term of this contract, in which case all terms and conditions required for the operation of such order shall remain in full force and effect until the completion of the three year service term.

**N. Force Majeure**

No Party shall be responsible for failure to meet its obligations under this Contract if the failure arises from causes beyond the control and without the fault or negligence of the non-performing Party. If any performance date under this Contract is postponed or extended pursuant to this

section for longer than thirty (30) calendar days, VITA, by written notice given during the postponement or extension, may terminate Supplier's right to render further performance after the effective date of termination without liability for that termination.

**R. Acceptable Use Policy**

If Supplier has an acceptable use policy, it will provide a copy of its Acceptable Use Policy (AUP) to be included as an exhibit to this Contract prior to execution. Supplier's AUP is, with the exceptions noted below, acceptable to VITA. Nonetheless, because certain standard clauses that may appear in, or be incorporated by reference into, Supplier's standard form contract cannot be accepted by VITA, and in consideration of the convenience of using that form, and this form, without the necessity of specifically negotiating a separate contract document, the parties hereto specifically agree that:

- a) In the event of a conflict between this Contract and the AUP, the Contract shall control;
- b) In the event of a material, unilateral revision to the AUP by Supplier that substantially impairs the ability of VITA or any other public body from its lawful use of the Service, VITA shall have the option to:
  - i. Request that the revision be rescinded;
  - ii. Request that the revision be waived as to VITA or other Authorized Users receiving Services under this Contract;
- c) If Supplier fails to grant a request by VITA per a. or b. above, within 30 days of receiving the request, then VITA may, at its option, terminate this Contract, in whole or in part, or any order, in whole or in part, without termination liability.

**S. Travel**

Any travel expenses incurred by Supplier pursuant to this Contract shall be pre-approved by VITA and shall be reimbursable by VITA at the then-current per diem amounts as published by the Virginia Department of Accounts:

[http://www.doa.virginia.gov/Admin\\_Services/CAPP/CAPP\\_Topics\\_Cardinal/20335-2015.pdf](http://www.doa.virginia.gov/Admin_Services/CAPP/CAPP_Topics_Cardinal/20335-2015.pdf) or a successor URL(s)). The Account Manager's responsibilities should include (i) resolution of technical support questions and issues which have not been resolved by Supplier's technical support division; (ii) preparation of account information and response to and resolution of inquiries regarding billing and payment; and (iii) investigation and resolution of customer service issues and complaints.

VITA or the DSP Participant may, in its sole discretion accept the proposed installation date or rescind its order without liability by giving Supplier notice within three (3) business days of its receipt of the proposed alternative installation date.

Supplier's failure to comply with the identified time frames shall be deemed a default, and VITA may, at its sole discretion and in addition to all other available remedies, exercise its rights pursuant to the Term and Termination section of this Contract. Supplier shall not be deemed in default if its failure to comply is a result of the failure of the public body which is to receive Supplier's Services to provide any necessary access or support as identified in the applicable order.

M. Installation

Unless otherwise authorized in writing by VITA or the DSP Participant, Supplier shall not, in performing installation Services, interfere with the any existing telecommunications cabling systems of the public body which is the recipient of Supplier's Services in a manner that causes operational outages. Supplier-provided equipment failures and disruptions for eight (8) or more consecutive hours. A separate twenty-percent credit shall apply to the each 24-hour period, of a failure or disruption, beginning with the commencement of the failure or disruption, until it is resolved.

### **Newsgroups Acceptable/Unacceptable Use And Disclaimer**

**GCR Online** uses newsgroups provided by **Newsfeeds.com**, which has its own Disclaimer about what is allowed and not allowed on its news servers. Everyone that uses the news servers agrees to use them in accordance to their (**Newsfeeds.com**) Acceptable Use Policy, which is below (as provided by

**Newsfeeds.com**):

**Newsfeeds.com Terms of Service** (please read this entire document before you access the news servers)

1. The content of all discussion groups (a.k.a. "newsgroups"), including without limitation, the descriptions of discussion groups and the content within a specific article posted in a group, is provided by and is the full and sole responsibility of the creator of the discussion group, or the person posting the article, respectively. **Newsfeeds.com** has NO responsibility for such content and is merely a conduit of articles traveling across Usenet. Usenet in general, is a public discussion and posting forum, similar to the world wide web, which is also available to the public. **Newsfeeds.com** does not control, condone, or censor Usenet and its content in any way.

2. All articles posted on our servers are pushed to the servers via our upstream providers, some of which are large international corporations. **Newsfeeds.com** receives well over 2 million articles per day, and it is impossible for us or any other corporation running a Usenet server to moderate newsgroups. At this point, there are no state or federal laws that require any ISP or Usenet provider to moderate Usenet newsgroups. By its very nature, Usenet groups may carry very offensive, harmful, inaccurate or otherwise inappropriate material, or in some cases, postings that have been mislabeled, or are deceptive in another way. We expect that you will use caution and common sense and exercise proper judgment when using Usenet, as well as use the service at your own risk.
3. Again, we must emphasize that it is impossible for us or any other Usenet service provider to police hundreds of thousands of articles that pass through our servers on a daily basis. Any article that passes through our servers and its content is the **SOLE RESPONSIBILITY** of the person who posted the article or created the newsgroup.
4. \* **Newsfeeds.com** does not produce any content that passes through or can be found on our servers.
5. \* **Newsfeeds.com** does not publish or distribute any content that passes through or can be found on our servers. What we mean when we say "publish or distribute" is that we DO NOT extract pictures or programs from Usenet for redistribution by various means, such as putting them on CD-ROM or making slide shows, or putting them in zip files and making them available for download.
6. \* **Newsfeeds.com** does not condone, nor support users posting copyrighted or illegal content to Usenet. If you discover an article that contains any copyrighted or illegal content, please email us at [abuse@newsfeeds.com](mailto:abuse@newsfeeds.com) or submit a support request at <http://www.newsfeeds.com/support.htm>. We will then remove the offending article IMMEDIATELY, and forward any and all relevant information to the appropriate federal law enforcement authorities.

Please note that the name of a newsgroup is not illegal in nature and does not necessarily imply that inappropriate or illegal activity occurs in it. However, we do encourage our customers to exercise caution and discretion when viewing and posting to all Usenet newsgroups. All content, without limitation, is provided by and is the sole responsibility of the person posting the content. We expect all customers to abide by Usenet etiquette, copyright laws, and civil and criminal laws.
