Dear Mr. Stewart:

I hereby certify that the Chippokes Plantation Farm Foundation does not presently have any proposed IT investments for the upcoming 2008-2010 budget biennium and I hereby delegate my plan certification authority within the Commonwealth agency IT strategic planning system (ProSystem) to the Project Management Division (PMD) of VITA. I further understand that, should my agency IT investment status change, I will immediately contact my agency's designated VITA Customer Account Manager to initiate an appropriate agency IT strategic planning update.

Additionally, the Chesapeake Bay Local Assistance Department was merged into the Department of Conservation and Recreation through language in the 2004 Appropriations Act and should be removed from your list of agencies exempted from Appendix A.

Sincerely,

A handwritten signature in cursive script that reads "Joseph H. Maroon".
