*Dear Mr. Pomata:*

*I hereby certify that my agency does not presently have any proposed IT investments for the upcoming 2010-2012 budget biennium and I hereby delegate my plan certification authority within the Commonwealth agency IT strategic planning system (ProSight) to the Project Management Division (PMD) of VITA. I further understand that, should my agency IT investment status change, I will immediately contact my agency's designated VITA Customer Account Manager to initiate an appropriate agency IT strategic planning update.*
