**MEMORANDUM**

**TO:** Leonard M. Pomata, Secretary of Technology  
**FROM:** Wade A. Jewell, Executive Director  
Virginia Board of Accountancy

A handwritten signature in black ink that reads "Wade A. Jewell".

**SUBJECT:** IT Certification Letter for Strategic Plan

Secretary Pomata:

I hereby certify that my agency does not presently have any proposed IT investments for the upcoming 2010-2012 budget biennium and I hereby delegate my plan certification authority within the Commonwealth agency IT strategic planning system (ProSight) to the Commonwealth Project Management Division (PMD).

This delegation of authority pertains only to updating the IT plan certification on behalf of the agency and in no way implies the PMD has authority to revise and/or change the content of the submitted agency IT strategic plan or other information currently residing within ProSight without my expressed permission.

I further understand that, should my agency IT investment status change, I will immediately contact my agency's designated VITA Customer Account Manager to initiate an appropriate agency IT strategic planning update.
