Subject: Exempt Agencies

Dear Mr. Pomata:

I hereby certify that my agency does not presently have any proposed IT investments for the upcoming 2010-2012 budget biennium and I hereby delegate my plan certification authority within the Commonwealth Agency IT strategic planning system (ProSight) to the Commonwealth Project Management Division (PMD). I further understand that, should my agency IT investment status change, I will immediately contact my agency's designated VITA Customer Account Manager to initiate an appropriate agency IT strategic planning update.

Sincerely,

David L. Reese
Director
Gunston Hall (Agency # 417)
