Agency Profile & Strategic Direction

Agency Mission Statement:

The Virginia Military Institute believes that the measure of a college lies in the quality and performance of its graduates and their contributions to society. Therefore, it is the mission of the Virginia Military Institute to produce educated, honorable men and women, prepared for the varied work of civil life, imbued with love of learning, confident in the functions and attitudes of leadership, possessing a high sense of public service, advocates of the American Democracy and free enterprise system, and ready as citizen-soldiers to defend their country in time of national peril.

Agency IT Vision Statement:

VMI will develop and maintain information technology and an information technology support environment that is secure, stable and reliable and will be recognized among its peer institutions as a premier provider of technology infrastructure, services and support that enable the VMI community to excel in teaching, learning, research, and community interaction.

Total Employees: 443

Total IT Employees: 17

Project Selection Criteria:

Projects are developed by the ITGC (Information Technology Governance Committee) in alignment with the Institution's and IT's strategic plan. Projects are then submitted to the Institution's executive cabinet and at times to its BOV and foundation for funding.

Business Case Development:

Business process performance, business problems, proposed alternatives, TCO, and ROI are presented and reviewed by the ITGC and strategic planning committees. The detail of such data varies project by project.

Risk Assessment Methodologies:

Best Practices risk assessment methodologies are followed. Projects are closely monitored to ensure that risks are minimal and that problems are identified early in the project cycle.

Prioritization Schema:

Projects are prioritized by the Strategic planning committee. Projects are proposed and ranked as to how they further the mission of the institute. A formal ranking system is not used.
