E. Purchase Payment Terms

All payment obligations under this Contract are subject to the availability of legislative appropriations for this purpose. In the event of non-appropriation of funds for the items under this Contract, VITA may terminate this Contract, or any order, for those goods or services for which funds have not been appropriated. Written notice will be provided to the Supplier as soon as possible after legislative action is completed.

If any purchases are to be supported by federal funding, and such funding is not made available, VITA may terminate this Contract, or an Authorized User may terminate an order, for goods or services dependent on such federal funds without further obligation.

Supplier is responsible for the accuracy of its billing information. Supplier agrees not to issue invoices hereunder until Software has been shipped. Charges older than ninety (90) days may not be paid.

In the event Software is shipped without the applicable documentation, payment shall not be due until the required documentation is provided.

The report shall also show a cumulative record of all sales which shall carry forward for the duration of the Contract. The Supplier Monthly Report of Sales template (in MS Excel format) indicated at the link above is required to be used by the Supplier and provided to VITA.

The "Supplier Monthly Report of Sales" is a detailed record that is prepared from actual invoices submitted to and paid by the Authorized User pursuant to this Contract. Data submitted shall include Name of Project, Supplier's tax identification number, invoice date, invoice number, order number, name of requesting entity, User name and telephone number, amount billed for services performed for previous month, and IT service category.

Supplier shall include this Contract number, "report amounts" and "report period" with all Industrial Funding Adjustment payments. Supplier shall remit Industrial Funding Adjustment payments made via check to: VITA, ATTN: Controller; 110 South 7th Street, 3rd Floor; Richmond, VA 23219-3931. Failure to comply with reporting and payment requirements of this section shall result in default of Contract.

Supplier shall deliver to VITA, three (3) complete hard copies or electronic media of Documentation, as requested by VITA. VITA shall have the right, as part of the license granted herein, to make as many additional copies of the Documentation, in whole or in part, for its own use as required. This Documentation shall include, but not be limited to, overview descriptions of all major functions, detailed step-by-step operating procedures for each screen and activity, and technical reference manuals. VITA shall have the right, as part of the license granted herein, at its own discretion, to take all or portions of the Documentation, modify or completely customize it in support of the authorized use of the Software and may duplicate such Documentation and include it in a VITA document or platform. VITA shall continue to include Supplier's, or Symantec's, copyright notice.

7. DELIVERY AND INSTALLATION

Supplier shall deliver Software according to the delivery dates set forth on the appropriate order.

B. Installation of Software

The software installation fee for the 90 Executive Branch agencies includes initial installation for the 90 Executive Branch agencies and shall be in accordance with a scope of work that has been agreed to between VITA and the Supplier. Supplier is required to install the Software in accordance with the installation schedule set forth in the scope of work or on any purchase order referencing this agreement. The installation fee for the 90 Executive Branch agencies shall be as

stated in the Exhibit B, attached hereto. For all other Authorized Users of this Agreement, the installation fee shall be based upon a flat fee or an hourly rate as mutually agreed between the parties. There shall be no cost incurred by any Authorized User for self installed software. Supplier shall conduct its standard appropriate diagnostic evaluation at the Authorized User's user site to determine that the Software is properly installed and fully ready for productive use, and shall supply such Authorized User with a copy of the results of the diagnostic evaluation promptly after installation completion.

IF THE DELAY LASTS LONGER THAN THIRTY (30) DAYS, SUCH AUTHORIZED USER MAY IMMEDIATELY CANCEL THE ORDER AND COLLECT THE DAMAGES FOR THAT PERIOD OF LATE DELIVERY. SUCH AUTHORIZED USER RESERVES ANY AND ALL OTHER REMEDIES AVAILABLE AT LAW OR IN EQUITY FOR DELAYS LASTING LONGER THAN THIRTY (30) DAYS OR FOR NON-DELIVERY.EVALUATION AND ACCEPTANCE TEST

A. Evaluation copy of Software

Supplier shall make available to any Authorized User Software for evaluation purposes at no charge. The evaluation period will be determined by the complexity of testing but will be a period not more than 30 days. Each new project is entitled to an evaluation copy regardless whether an Authorized User has previously licensed the Software.

B. Acceptance Criteria

Software shall be accepted when the Authorized User determines that it successfully operates in accordance with the Requirements. Such Authorized User agrees to commence Acceptance testing within 30 days after receipt of the Software. Acceptance testing will be no longer than 60 days for the first instance of each product type set forth in Exhibit B. Supplier agrees to provide to such Authorized User such assistance and advice as such Authorized User may reasonably require, at no additional cost, during such Acceptance testing, other than pre-approved travel expenses incurred which will be reimbursable by such Authorized User at the then current per diem amounts.

However Supplier will in no event be liable for the failure of Software if such failure is due to changes in the hardware or use of third party software by an Authorized User.
- iii). The Software provided hereunder is at the current release level unless an Authorized User specifies an older version in its order. There is no guarantee that software orders for version levels more than one version back can be fulfilled.
- iv). No corrections, work around or future Software releases provided by Supplier under the warranty provisions or under maintenance shall degrade the Software, cause any other warranty to be breached, or require an Authorized User to acquire additional hardware equipment or software.
- v). Supplier warrants that it shall make Support Services available for all the Software products listed in Exhibit B for a period of at least five (5) years from the Effective Date of this Contract. Any Authorized User, at its sole option, may acquire Support Services. Cancellation of Support Services by an Authorized User shall not affect this Contract or the grant of any license by Supplier.

12. COMPETITIVE PRICING

Supplier warrants and agrees that each of the charges, economic or product terms or warranties granted to VITA pursuant to this Contract are comparable to or better than the equivalent charge, economic or product term or warranty being offered to commercial or government customer of Supplier. If Supplier enters into any arrangements with another customer of Supplier or with an Authorized User to provide Software or Services under more favorable prices, as the prices may be indicated on Supplier's current US and International price list or comparable document, then this Contract shall be deemed amended as of the date of such other arrangements to incorporate those more favorable prices, and Supplier shall immediately notify VITA of such change.

13. CONFIDENTIALITY

A. Treatment and Protection

Each Party agrees to (i) hold in strict confidence all Confidential Information of the other Party, (ii) use the Confidential Information solely to perform or to exercise its rights under this Contract, and (iii) not to transfer, display, convey or otherwise disclose or make available all or any part of such Confidential Information to any third-party. However, an Authorized User may disclose the Confidential Information as delivered by Supplier to subcontractors, contractors or agents of such Authorized User that are bound by a non-disclosure contract with such Authorized User. Each Party shall take the same measures to protect against the disclosure or use of the Confidential Information as it takes to protect its own proprietary or confidential information (but in no event shall such measures be less than reasonable care).

B. Exclusions

The term "Confidential Information" shall not include information that is:

- i). in the public domain through no fault of the receiving Party or of any other person or entity that is similarly contractually or otherwise obligated;

In all cases the selection and approval of counsel and approval of any settlement shall be satisfactory to the Authorized User against whom the claim has been asserted.

In the event of a Claim pursuant to any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Software or Services, and in addition to all other obligations of Supplier in this Section, Supplier shall at its expense, either (a) procure for all Authorized Users the right to continue use of such infringing Software or services, or any component thereof; or (b) replace or modify such infringing Software or services, or any component thereof, with non-infringing products or services satisfactory to VITA. And in addition, Supplier shall provide any Authorized User with a comparable temporary replacement Software or reimburse any Authorized User for the reasonable costs incurred by such Authorized User in obtaining an alternative product in the event such Authorized User cannot use the affected Software. If Supplier cannot accomplish any of the foregoing within a reasonable time and at commercially reasonable rates, then Supplier shall accept the return of the infringing component of the Software or services, along with any other components of any products rendered unusable by any Authorized User as a result of the infringing component, and refund the price paid to Supplier for such components.

EXCEPT WITH REGARD TO CLAIMS FOR PROPERTY DAMAGE, PERSONAL INJURY OR INFRINGEMENT, AND THE INDEMNIFICATION AND CONFIDENTIALITY OBLIGATIONS, WITH RESPECT TO EACH OF WHICH LIABILITY SHALL NOT BE LIMITED PURSUANT TO THIS SECTION, IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY (OR THE INDEMNIFIED PARTIES OF SUCH PARTY) FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, INCLUDING (WITHOUT LIMITATION) LOSS OF PROFIT, INCOME OR SAVINGS, EVEN IF ADVISED OF THE POSSIBILITY THEREOF, EXCEPT WHEN SUCH DAMAGES ARE CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF THE PARTY, ITS EMPLOYEES, AGENTS OR SUBCONTRACTORS.

15. SECURITY COMPLIANCE

Supplier agrees to comply with all provisions of VITA's then current security procedures as are pertinent to Supplier's operation and have been supplied to Supplier by VITA and further agrees to comply with all applicable federal, state and local laws. Supplier shall indemnify, defend, and hold VITA, its officers, directors, employees and agents harmless from and against any and all fines, penalties (whether criminal or civil), judgments, damages and assessments, including reasonable expenses suffered by, accrued against, or charged to or recoverable from VITA, its officers, directors, agents or employees, on account of the failure of Supplier to perform obligations pursuant to this Section.

16. BANKRUPTCY

If Supplier becomes insolvent, takes any step leading to its cessation as a going concern, fails to pay its debts as they become due, or ceases business operations continuously for longer than fifteen (15) business days, then VITA may immediately terminate this Contract on notice to Supplier unless Supplier immediately gives VITA adequate assurance of the future performance of this Contract. If bankruptcy proceedings are commenced with respect to Supplier, and if this Contract has not otherwise terminated, then VITA may suspend all further performance of this Contract until Supplier assumes this Contract and provides adequate assurance of performance thereof or rejects this Contract pursuant to Section 365 of the Bankruptcy Code or any similar or successor provision, it being agreed by the Parties that this is an executory contract. Any such suspension of further performance by VITA pending Supplier's assumption or rejection shall not be a breach of this Contract, and shall not affect VITA's right to pursue or enforce any of its rights under this Contract or otherwise.

17. GENERAL

A. Relationship between VITA and Supplier

Supplier has no authority to contract for VITA or in any way to bind or to commit VITA to any agreement of any kind or to assume any liabilities of any nature in the name of or on behalf of VITA. Under no circumstances shall Supplier, or any of its employees, hold itself out as or be considered an agent or an employee of VITA, and VITA shall have no duty to provide or maintain any insurance or other employee benefits on behalf of Supplier or its employees. Supplier represents and warrants that it is an independent contractor for purposes of federal, state and local employment taxes and agrees that VITA is not responsible to collect or withhold any federal, state or local employment taxes, including, but not limited to, income tax withholding and social security contributions, for Supplier. Any and all taxes, interest or penalties, including, but not limited to, any federal, state or local withholding or employment taxes, imposed, assessed or levied as a result of this Contract shall be paid or withheld by Supplier or, if assessed against and paid by VITA, shall be reimbursed by Supplier upon demand by VITA.

B. Incorporated Contractual Provisions

The contractual provisions at the following URL are statutorily mandated provisions that are hereby incorporated by reference, including the contractual claims provision of §2.2-4363 of the Code of Virginia: http://www.vita.virginia.gov/procurement/documents/terms_05-06sw.pdf.

C. Governing Law

This Contract shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia. Any and all litigation shall be brought in the circuit courts of the Commonwealth of Virginia. The English language version of this Contract prevails when interpreting this Contract. D. Dispute Resolution

In accordance with §2.2-4363 of the Code of Virginia, Contractual claims, whether for money or other relief, shall be submitted in writing to the public body from whom the relief is sought no later than sixty (60) days after final payment; however, written notice of the Supplier's intention to file such claim must be given to VITA at the time of the occurrence or beginning of the work upon which the claim is based. Pendency of claims shall not delay payment of amounts agreed due in the final payment. VITA shall render a final decision in writing within thirty (30) days after its receipt of the Supplier's written claim.

The Supplier may not invoke any available administrative procedure under §2.2-4365 of the Code of Virginia nor institute legal action prior to receipt of the purchasing agency's decision on the claim, unless that agency fails to render its decision within thirty (30) days. The decision of the purchasing agency shall be final and conclusive unless the Supplier, within six (6) months of the date of the final decision on the claim, invokes appropriate action under §2.2-4364, Code of Virginia or the administrative procedure authorized by §2.2-4365, Code of Virginia.

Upon request from the public body from whom the relief is sought, Supplier agrees to submit any and all contractual disputes arising from this Contract to VITA's alternative dispute resolution (ADR) procedures. Supplier may invoke VITA's ADR procedures at any time and concurrently with any other statutory remedies prescribed by the Code of Virginia.

In the event of any breach by VITA, Supplier's remedies shall be limited to claims for damages and Prompt Payment Act interest and, if available and warranted, equitable relief, all such claims to be processed pursuant to this Section. In no event shall Supplier's remedies include the right to terminate any license or support services hereunder.

E. Advertising and Use of Proprietary Marks

H. Assignment

This Contract shall be binding upon and shall inure to the benefit of the permitted successors and assigns of each party hereto. Supplier may not assign, subcontract, delegate or otherwise convey this Contract, or any of its rights and obligations hereunder, to any entity without the prior written consent of VITA, and any such attempted assignment or subcontracting without consent shall be void. VITA may assign this Contract to any entity, so long as the assignee agrees in writing to be bound by the all the terms and conditions of this Contract.

If any law limits the right of the Parties to prohibit assignment or nonconsensual assignments, the effective date of the assignment shall be 30 days after the Supplier gives VITA prompt written notice of the assignment, signed by authorized representatives of both the Supplier and the assignee. Any payments made prior to receipt of such notification shall not be covered by this assignment.

I. Captions

The captions are for convenience and in no way define, limit or enlarge the scope of this Contract or any of its Sections.

J. Severability

K. Survival

The provisions of this Contract regarding Software License, Warranty, Escrow, Confidentiality, Liability and Indemnification, and the General Provisions shall survive the expiration or termination of this Contract.

L. Force Majeure

Neither Party shall be responsible for failure to meet its obligations under this Contract if the failure arises from causes beyond the control and without the fault or negligence of the non-performing Party. If any performance date under this Contract is postponed or extended pursuant to this section for longer than thirty (30) calendar days, VITA, by written notice given during the postponement or extension, may terminate Supplier's right to render further performance after the effective date of termination without liability for that termination.

Contract No. VA-051026-ELSY Exhibit 8

AMENDMENT TO SYMANTEC EULA

BETWEEN
VIRGINIA INFORMATION TECHNOLOGIES AGENCY
AND
SYMANTEC Corporation

This amendment to Exhibit A, Symantec's End User License Agreement (EULA), is hereby incorporated into and made an integral part of Contract Number VA-051026-ELSY ("Contract") between the Virginia Information Technologies Agency ("VITA" or "Commonwealth" or "State") and ESI (Authorized reseller)

AMENDMENT TO SYMANTEC'S END-USER LICENSE AGREEMENT

Whereas, VITA and Authorized Users (For the purposes of this Amendment, Authorized User shall mean all public bodies, including VITA, as defined by §2.2-4301 of the Code of Virginia) wish to purchase from the Authorized Reseller pursuant to the Contract certain software manufactured by Symantec, namely "Symantec Antivirus products", (collectively "Software").

Whereas, terms under which the Software purchased by VITA and any Authorized User shall be used shall be set forth in the End User License Agreement ("EULA," sample for reference purposes only attached as Exhibit A) that accompanies the Software.

Whereas the Parties agree that the following terms shall supplement the terms of the EULA.

VITA, pursuant to §2.2-2012 of the Code of Virginia, and Symantec (collectively "the parties") are entering into an amendment of the EULA and, for their mutual convenience, the parties are using this standard amendment form agreement ("Amendment") to be effective as of December 7, 2005 ("Effective Date"). This Amendment, duly executed by the parties, is attached to and hereby made a part of the EULA and together shall govern the use of any and all Symantec Software licensed by VITA and or any Authorized User under this Contract whether or not specifically referenced in the order document.

The EULA is, with the exceptions noted herein, acceptable to VITA. Therefore, notwithstanding any terms appearing in the EULA, the Parties specifically agree:

- a). Any clause in the EULA requiring VITA or any Authorized User to maintain any type of insurance either for VITA's or such Authorized User's benefit or for Symantec's benefit shall have no effect;
- b). Any clause in the EULA renewing or extending the EULA beyond the initial term or automatically continuing the period of licensed use from term to term shall have no effect;
- c). Any clause in the EULA requiring or stating that the terms of the EULA shall prevail over the terms of this Amendment in the event of conflict shall have no effect;
- d). Any clause in the EULA requiring VITA, its officers, employees or agents, or any Authorized User, its officers, employees or agents to indemnify Symantec, its officers, employees or agents, or third parties whose content or confidential information is intertwined with the Software for any act or omission shall have no effect;
- e). Any clause in the EULA imposing interest charges contrary to that specified by §2.2-4347 et seq. of the Code of Virginia shall have no effect;
- f). Any clause in the EULA requiring the application of the law of any state other than the Commonwealth of Virginia in interpreting or enforcing this Amendment or the EULA or requiring or permitting that any dispute under this Amendment of the EULA be resolved in the courts of any state other than the Commonwealth of Virginia shall have no effect;

Contract No. VA-051026-ELSY Exhibit A

- g). Any clause in the EULA requiring that this Amendment be "accepted" or endorsed by the home office or by any other officer subsequent to execution by an official of VITA or any Authorized User before this Amendment is considered in effect shall have no effect;
- h). Any clause in the EULA delaying the acceptance of this Amendment or its effective date beyond the date of execution shall have no effect;
- i). Any clause in the EULA limiting or adding to the time period within which claims can be made or actions can be brought shall have no effect;
- j). Any clause in the EULA limiting the Symantec's liability for direct damages to tangible personal property or personal injury caused directly by Symantec shall have no effect. Except for direct damages arising from tangible personal property damage or personal injury directly caused by Symantec under this master contract, in no event shall Symantec be liable to an Authorized User for any special, consequential, indirect or similar damages or lost profits or lost data arising out of the use or inability to use the Symantec products even if Symantec has been advised of the possibility of such damages.
- k). Any clause in the EULA permitting unilateral modification of this Amendment or the EULA by Symantec shall have no effect;
- l). Any clause in the EULA binding VITA, its officers, employees or agents, or any Authorized User, its officers, employees or agents to any arbitration or to the decision of any arbitration board, commission, panel or other non-judicial entity shall have no effect;
- m). Any clause in the EULA obligating VITA, its officers, employees or agents, or any Authorized user, its officers, employees or agents to pay costs of collection or attorney's fees shall have no effect;
- n). Any clause in the EULA granting Symantec a security interest in property of VITA, its officers, employees or agents, or any Authorized User, its officers, employees or agents shall have no effect;
- o). Any clause limiting an Authorized User's ability to participate with counsel of its choosing at its own expense in any claim arising under the EULA and in which VITA, its officers, employees or agents, or any Authorized User, its officers, employees or agents is a named party, shall have no effect. Symantec shall defend and indemnify Authorized Users against any costs, liabilities or damages (including attorney's fees) arising from any claim brought against an Authorized User to the extent that such claim is based on a claim that such Authorized User's authorized use of the Software infringes a patent, copyright, trademark or trade secret. The Authorized User shall notify Symantec in writing of any such claim as soon as the Authorized User learns of it and shall cooperate fully with Symantec in connection with the defense of that claim. Symantec shall have control of that defense (including the right to settle the claim). Notwithstanding the foregoing, Symantec agrees to seek the Authorized User's prior consent, which consent shall not be unreasonably withheld or delayed by the Authorized User, in connection with a settlement that would impose any obligations on an Authorized User other than the obligation to discontinue using the Software (or obligations related thereto)."
- p). Any license to Software pursuant to contract may not be assigned, sublicensed or otherwise transferred in whole or in part by an Authorized User without Symantec's prior written consent, such consent not to be unreasonably refused or delayed. Notwithstanding the foregoing, assignment without prior approval is hereby authorized only to members of the appropriate Symantec Outsourcer program. However an Authorized User may assign its rights to request support, receive and load new releases of any nature to a third party under contract with VITA to provide such service to VITA.
- q). Any clause in the EULA bestowing any right or incurring any obligation that is beyond the duly granted authority of the undersigned representative of VITA to bestow or incur on behalf of the Commonwealth of Virginia shall have no effect.

Contract No. VA-051028-ELSY Exhibit 8

- r). Any clause in the EULA, in conflict with this Amendment, permitting modification or replacement of the EULA pursuant to any new release, update or upgrade of Software shall have no effect.
- s). Any clause in the EULA permitting Symantec to assign, subcontract, delegate or otherwise convey this the EULA and this Amendment, or any of its rights and obligations hereunder, to any entity without the prior written consent of VITA shall have no effect.

Symantec represents that it is the owner of the Software or otherwise has the right to grant to VITA and all Authorized Users the license to use the Software granted hereunder without violating or infringing any copyright, trade secret, patent or trademark of any third party in the United States or any other country.

The parties agree that UCITA shall not apply to this Amendment, except for those provisions listed in §59.1-501.15 of the Code of Virginia as "not variable by agreement".

This Amendment and the EULA accompanying the software constitute the entire agreement between the parties regarding the licensed use of Software and may not be waived or modified except by written and signed agreement between the parties. For the purposes of this paragraph, the parties agree that signature means a physical signature and not an electronic signature.

Authorized User will use the Software under the terms and conditions contained in this Amendment to the EULA, the information contained on the front of the license certificate (the "License Certificate") and Symantec's EULA accompanying the Software. The terms and conditions contained on the reverse side of the License Certificate shall be null and void as to the purchases placed under this Contract. The License Certificate will be sent to Authorized User to confirm purchases hereunder after receipt by Symantec of each purchase order.

In the event of any conflict between the terms and conditions in this Amendment, in the License Certificate, in the EULA, the terms of the Amendment shall govern as to any conflict.

By signing below, both parties agree to the terms of this Amendment and intend thereby to be legally bound. Executed as of the last date set forth below by the undersigned authorized representatives of the parties.
