

# ThinkPlus Maintenance Services and Warranty and Maintenance Options Warranty Service Upgrade (WSU) Supported Products List for Commercial and Consumer Customers

## Post-warranty maintenance agreement or warranty service upgrade

### Which service coverage is right for me?

- If your Lenovo machine is out of warranty, OR you have an existing warranty service upgrade (WSU) or maintenance agreement that is about to expire, then post-warranty maintenance (MA Thinkplus®) is right for you. For details, visit [www.thinkpad.com/thinkplus/warranty](http://www.thinkpad.com/thinkplus/warranty)
- If your Lenovo machine is still within its original warranty period, then you can upgrade your service with a Thinkplus WSU (see details below). To purchase this offering, visit [www.thinkpad.com/thinkplus/warranty](http://www.thinkpad.com/thinkplus/warranty)

### Warranty Service Upgrade Overview

- Provides repair or exchange services of your Lenovo equipment.
- Choose from a variety of service options, with coverage for parts and labor, so you can select the package with the response time that fits your needs.
- Options available are based on specific product. See supported product listing found later in this document.
- Service is only available for non-refurbished machines released and purchased in the United States. Special Bid machines are not eligible.
- Service period for your ThinkPlus Warranty Service Upgrade begins when your machine's limited warranty begins and not when you activate your ThinkPlus service. Your ThinkPlus service will end on the expiration of your machine's limited warranty. (This statement does not relate to ThinkPlus post-warranty maintenance agreements for which the service period begins upon activation)
- Lenovo performs hardware problem determination to the component level. For non-Lenovo components you must provide the replacement parts and Lenovo will provide the labor to replace it. If Lenovo has a Technical Support Agreement with the manufacturer, procurement and cost of the replacement part may also be included.
- Service must be purchased with the product or at any time during the original product warranty period.
  - ✓Service cannot be prorated, refunded or transferred.
- International service is also available for ThinkPad notebooks under Lenovo warranty service upgrade or maintenance agreement. See the "International service for Lenovo ThinkPad notebooks" section found later in this document for full details.
- Thinkplus Services MUST BE ACTIVATED after purchase in order to use the service. To activate service, visit [www.thinkpad.com/thinkplus/warranty](http://www.thinkpad.com/thinkplus/warranty)
- Before making your purchase decision, please read the "Limitations of Service" statement on page 3 of this document for important details.

**To purchase an Lenovo Warranty Service Upgrade, call toll free 1-866-96-THINK, visit [Lenovo.com](http://Lenovo.com), or contact your Lenovo Business Partner.**

### Service response times

Lenovo's ability to meet response times is dependent on many factors, including but not limited to parts availability, service location, service-contract terms and the time of day the service call is received.

24x7x4 hour	A service technician is scheduled to arrive at your location within four hours after remote problem determination is completed. We provide service around the clock, every day, including Lenovo holidays.
9x5x4 hour	A service technician is scheduled to arrive at your location within four business hours after remote problem determination is completed. We provide service from 8:00 a.m. to 5:00 p.m. in your local time zone, Monday through Friday, excluding Lenovo holidays. If after 1:00 p.m. it is determined that onsite service is required, you can expect the service technician to arrive the morning of the following business day. For noncritical service requests, a service technician will arrive by the end of the following business day.
9x5/next business day	A service technician is scheduled to arrive at your location on the business day after we receive your call, following remote problem determination. We provide service from 8:00 a.m. to 5:00 p.m. in your local time zone, Monday through Friday, excluding Lenovo holidays.

\*Only available for machines released and purchased in the United States. Special Bid machines are not eligible. \*\*All services include both parts & labor. Service period begins with the equipment date of purchase (warranty start date). Service descriptions are response objectives and are not guarantees. \*\*\*Prices are subject to change without notice. \*\*\*\*Lenovo or your reseller will perform selected CRU repairs at your request on the following parts only: power supply, microprocessor, heat sink, and system board. This document is published once a month. Prices provided in this document are for informational purposes only and are subject to change. Lenovo's official pricing is provided through Lenovo product announcements and not through this document. [Updates are indicated in blue and underlined for your convenience.](#)

Data contained in this document is accurate as of July 13, 2005.

## Service levels

Lenovo onsite repair (IOR)	A service technician will come to your location for equipment repair.
EasyServ depot repair	A courier will pick up your equipment and deliver it to our depot repair center. Our objective is to repair it within 12 hours of arrival (ThinkPads) or 5 business days (Point of Sale equipment). ThinkPads arriving at the depot in the morning are scheduled to be repaired and shipped back to you on the same day.
Lenovo onsite exchange (IOE)	<i>For Lenovo monitors :</i> A service technician will come to your location with a replacement machine and perform the equipment exchange.
EasyServ exchange	A courier will deliver a replacement machine to you in exchange for your failed machine. Lenovo will ship the replacement the same day the service call was received, with next day delivery. If the service call is received after 8:00 p.m. (EST), the replacement machine will be shipped the following business day. Uninstallation of the failed machine and installation of the replacement machine is a customer responsibility. The replacement packaging will include shipping instructions on how to return the failed machine using the same carton that contained the replacement. All shipping and handling is paid for by Lenovo.

## Service option availability by hardware type

Lenovo's ability to meet response times is dependent on many factors, including but not limited to parts availability, service location, service-contract terms and the time of day the service call is received.

Service Options <sup>1</sup>	Lenovo Hardware Type		
	Notebooks	Desktops	Monitors
<b>Repair Options (IOR = Lenovo onsite repair)</b>			
IOR 24x7x4 hour	----	3 or 4 yrs	----
IOR 9x5x4 hour	----	1, 2, 3 or 4 yrs	----
IOR 9x5/next business day	1, 2, 3, 4 or 5 yrs	2, 3 or 4 yrs	----
EasyServ depot repair	2, 3, 4 or 5 yrs	----	----
<b>Exchange Options (IOE = Lenovo onsite exchange)</b>			
IOE 24x7x4 hour	----	----	3 or 4 yrs
IOE 9x5x4 hour	----	----	----
IOE 9x5/next business day	----	----	3 or 4 yrs
EasyServ exchange	----	----	----

<sup>1</sup> Service options may vary by machine type and/or model.

\*Only available for machines released and purchased in the United States. Special Bid machines are not eligible. \*\*All services include both parts & labor. Service period begins with the equipment date of purchase (warranty start date). Service descriptions are response objectives and are not guarantees. \*\*\*Prices are subject to change without notice. \*\*\*\*Lenovo or your reseller will perform selected CRU repairs at your request on the following parts only: power supply, microprocessor, heat sink, and system board. This document is published once a month. Prices provided in this document are for informational purposes only and are subject to change. Lenovo's official pricing is provided through Lenovo product announcements and not through this document. [Updates are indicated in blue and underlined for your convenience.](#)

## **Limitations of service for Lenovo Maintenance Services - ThinkPlus for Warranty and Maintenance Options for PC Products**

These services are available for machines normally used for business, professional, or trade purposes, rather than personal, family or household purposes. Not all machine types and models are covered. Service period begins with the equipment date of purchase. Service must be purchased during the original limited product warranty period. Service levels are response time objectives and are not guarantees. A service technician is scheduled to arrive at your location within two or four business hours or the next business day (depending on service) after remote problem determination is completed. For the 9x5x4 hour service, calls dispatched after 1:00 p.m. local time, you can expect the service technician to arrive by the morning of the following business day. For non-critical service requests, a service technician will arrive by the end of the following business day. If the machine problem turns out to be a Customer Replaceable Unit (CRU), Lenovo will express ship the part to you for quick replacement. External peripherals, such as racks, tape drives, and channel controllers, require their own, separate service coverage, they are not covered under the attached Machine. Service activation is required immediately following purchase. For ThinkPad notebooks requiring LCD or other component replacement, Lenovo may choose to perform service at the depot repair center. For failing non-Lenovo components, you must provide the replacement part unless Lenovo has a Technical Support Agreement with the manufacturer. Service does not cover accessories, supply items and certain parts such as batteries, frames and covers.

### **International service for Lenovo ThinkPad Notebooks**

When you travel and work internationally, you want to feel secure that service for your ThinkPad notebook is available wherever your business takes you. If you have purchased a warranty service upgrade or maintenance agreement from Lenovo, international service is now available to you in all countries where ThinkPad notebooks are serviced by Lenovo. This additional coverage is provided, at no additional charge, as part of all current or new Lenovo maintenance agreements. You must register with Lenovo to be eligible for international coverage by calling one of our four registration offices listed below. Lenovo will send you a registration package that contains a service entitlement certificate and a list of telephone numbers to call when you require service abroad.

United States 1-800-497-7426

Australia (61) 2-9354-4171

Japan (81) 462-73-7598

Scotland (44) 1475-893638

You should be prepared to provide the following information to register for this service:

- ✓ Customer/Company name, address, country of service purchase, machine type, model and serial number, original date of ThinkPad notebook purchase, proof of service purchase

Please note that this service is intended to cover US customers traveling abroad and is not intended for export or for coverage of ThinkPads permanently relocated to a country outside of the US. Service will be provided at the standard level of service for ThinkPad notebooks in the country you are visiting.

\*Only available for machines released and purchased in the United States. Special Bid machines are not eligible. \*\*All services include both parts & labor. Service period begins with the equipment date of purchase (warranty start date). Service descriptions are response objectives and are not guarantees. \*\*\*Prices are subject to change without notice. \*\*\*\*Lenovo or your reseller will perform selected CRU repairs at your request on the following parts only: power supply, microprocessor, heat sink, and system board. This document is published once a month. Prices provided in this document are for informational purposes only and are subject to change. Lenovo's official pricing is provided through Lenovo product announcements and not through this document. [Updates are indicated in blue and underlined for your convenience.](#)

\*Only available for machines released and purchased in the United States. Special Bid machines are not eligible. \*\*All services include both parts & labor. Service period begins with the equipment date of purchase (warranty start date). Service descriptions are response objectives and are not guarantees. \*\*\*Prices are subject to change without notice. \*\*\*\*Lenovo or your reseller will perform selected CRU repairs at your request on the following parts only: power supply, microprocessor, heat sink, and system board. This document is published once a month. Prices provided in this document are for informational purposes only and are subject to change. Lenovo's official pricing is provided through Lenovo product announcements and not through this document. Updates are indicated in blue and underlined for your convenience.

Data contained in this document is accurate as of July 13, 2005.

\*Only available for machines released and purchased in the United States. Special Bid machines are not eligible. \*\*All services include both parts & labor. Service period begins with the equipment date of purchase (warranty start date). Service descriptions are response objectives and are not guarantees. \*\*\*Prices are subject to change without notice. \*\*\*\*Lenovo or your reseller will perform selected CRU repairs at your request on the following parts only: power supply, microprocessor, heat sink, and system board. This document is published once a month. Prices provided in this document are for informational purposes only and are subject to change. Lenovo's official pricing is provided through Lenovo product announcements and not through this document. Updates are indicated in blue and underlined for your convenience.

Data contained in this document is accurate as of July 13, 2005.
